Report of Audit

1350 South 1st St.
Louisville, Ky.
August 2, 1974

To the Treasurer of
Kentucky High School Athletic Association
Lexington, Kentucky
Dear Sir:

Pursuant to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year beginning July 1, 1973 and ending June 30, 1974. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements and Assets which, in our opinion, reflect the true financial condition of the Association as of June 30, 1974.

The cash fund and savings certificates on hand were found to be correct and verified by generally accepted auditing procedures.

We find the records presented to us for the purpose of audit to be in agreement and in good condition.

Respectfully submitted,
HUET L. JOHNSON
Certified Public Accountant

Girls and Boys Basketball Season and Tournament Regulations

The Board of Control has adopted basketball tournament regulations that will include both girls and boys. The K.H.S.A.A. booklet will contain these in detail. However, these items may be helpful to you before the booklet is available. Please relay this on to your athletic director and coach.

The district tournament assignments will be the same for girls as for boys, provided there are enough teams available in the district. The districts will be held during the first week in the month, March 3-8. The regionals will be held during the second week, March 10-15. The people involved in each tournament will decide if the girls and boys tournaments are to be held at the same site and at the same time. It is not required that any tournament end on Saturday night.

There will be two separate state tournaments, one for girls and one for boys. One will be played the third week in March and the other the fourth week. It has not been decided which will be played first at this time.

All the general tournament regulations in the booklet that have applied to boys will hold true for the girls' tournaments. The district tournament sites will be determined by a vote of the schools that have played twelve or more games with at least six different member schools. Also, this is the requirement for entering a tournament. The expense allowance for teams in the state tournaments will be dependent upon the receipts and will be determined by the Board of Control.

The K.H.S.A.A. Constitution and By-Laws will apply to girls contests between member schools the same as for boys. The limit on the number of games, eligibility requirements, requirements for coaches, number of practice games, etc., will be the same.

The game rules will be those of the National Federation. These rules are made by representatives of the state high schools sponsoring basketball for girls. The girls' code is almost identical to the boys' game. Any person registering as a basketball official will be eligible to referee for both boys' and girls' games.

The Committee on Girls' Basketball suggested that schools employ women coaches and officials whenever possible, and that coaches assist in recruiting women to officiate. If a woman is not available to coach it is strongly recommended that one be assigned to be present during all practices and games.

You are reminded that the General Assembly amended KRS 157.350 to read in part as follows:

Subsection 6: Any secondary school which maintains a basketball team for boys for other than intramural purposes, shall maintain the same for girls.

Subsection 7: Any school district which fails to comply with subsection (6) six shall be prohibited from participating in varsity competition in any sport for 1 (one) year. Determination of failure to comply shall be made by the Department of Education after a hearing requested by any person within the school district. A district under this subsection shall, at such hearing, have an opportunity to show inability to comply.

National Federation Annual Convention

The 55th Annual Meeting was held at the Galt House in Louisville, Kentucky, July 2-6, 1974. Approximately 850 Board of Control members and executive officers representing all the states were in attendance. Lt. Governor Julian Carroll welcomed the Convention guests. Other Kentucky speakers were Dr. Lyman Ginger, Thomas P. Bell, Rev. William Slider and Dr. Tim Stivers. The first resolution adopted by the group read as follows:

(1) WHEREAS, the Kentucky High School Athletic Association, as host for the 55th Annual Convention of the National Federation of State High School Associations extended a warm and sincere greeting; and

WHEREAS, the Kentucky High School Athletic Association did assist in many ways to make the delegates feel welcome by providing various services; and

WHEREAS, the Kentucky High School Athletic Association did cooperate in the administration of all details necessary for a successful meeting;

NOW, THEREFORE, BE IT RESOLVED, that the National Federation hereby expresses its appreciation to the Kentucky High School Athletic Association for a job well done.

Football Clinics

The 1974 clinics for football officials are being conducted by Assistant Commissioner Billy V. Wise. Dates and sites of the clinics are as follows:

August 6, Bell County High School, Pineville, 7:30 p.m.; August 7, Hazard High School, Hazard, 7:30 p.m.; August 8, Prestonsburg High School, Prestonsburg, 7:30 p.m.; August 9, U.K. Community College, Ashland, 7:30 p.m.; August 12, Henderson County High School, Henderson, 7:30 p.m.; August 13, Tilghman Area Vocational School, Paducah, 7:30 p.m.; August 14, Mayfield High School, Mayfield, 7:30 p.m.; August 15, Hopkinsville High School, Hopkinsville, 7:30 p.m.; August 19, W.K.U., Football Stadium, Bowling Green, 7:30 p.m.; August 20, Stouffer's Inn, Ballroom, Louisville, 7:30 p.m.; August 21, Ludlow High School, Ludlow, 7:30 p.m.; August 22, Henry Clay High School, Lexington, 7:30 p.m.

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 16. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the Approved rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. After an official has received the Certified rating, he continues to receive this rating each year provided he registers, attends the clinic for that year and officiates all games assigned to him.

Attention, Principals and Superintendents!

Each principal and superintendent will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association. This will introduce (name of principal or superintendent), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Holiday Inn, Morehead, Kentucky, on Wednesday morning, June 5, 1974. The meeting was called to order at 10:00 by President Frank Simpson, with all Board members, Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills and Bill Wise present. Mr. Conley Manning was in attendance representing the State Department of Education. The invocation was given by President Frank Simpson.

Dr. Adron Doran, President of Morehead State University welcomed the K.H.S.A.A. Board Members to Morehead and expressed his appreciation for the opportunity to host the 1974 State Baseball Tournament. He extended an invitation to the Board to use the facilities of Morehead State University for the 1975 State Baseball Tournament. On behalf of the member schools of the K.H.S.A.A., President Simpson thanked Dr. Doran for making the Morehead facilities available for this event.

Jim Williams moved, seconded by Arthur Hawkins that the reading of the minutes of the April 18th meeting be waived since members of the Board had received copies in the mail. The motion was carried unanimously.

Roy Winchester, Chairman of the Policy Committee was called upon to present his report. He urged all members of the Board to attend the Na-

tional Federation of High School Associations Annual Convention to be held in Louisville on July 2-6, 1974.

Mr. Winchester stated that the Committee recommended that the salaries of the Commissioner and Assistant Commissioners be increased by approximately 9% and that the salaries of the secretaries be increased by 5% for 1974-75. Mr. Winchester made the motion that these recommendations be adopted. Howard Crittenden seconded the motion and all members voted aye.

Tom Mills reported that under legislation passed by the 1974 General Assembly, the executive members of the K.H.S.A.A. were eligible for membership in the Teacher Retirement System. The Executive Director of the Teacher Retirement System, Mr. Ted Crosthwait, has requested that the legality of this bill be determined by a court of law before a final decision is made. No action has been taken on this request.

Mr. Mansfield reported that he had a request from Coach Dick Bealmer, Secretary, Jefferson County Coaches Association, that the K.H.S.A.A. sponsor a state meet for girls in Cross Country. Following a lengthy discussion Mr. Mansfield was instructed to inform Coach Bealmer that the Board did not feel that there was enough interest in the sport at the present time to warrant a state meet, but would watch progress of this sport each year.

Following a discussion on the necessary changes in tournament and meet regulations, Roy Winchester moved, seconded by Jim Williams, that the Commissioner be authorized to make all necessary additions or deletions in order to comply with the changes ordered by the Delegate Assembly in the April meeting. The motion carried unanimously.

Following a discussion on the need for liability and personal injury insurance on athletic officials, Mr. Paul Ogden, representative of the Liberty Insurance Agency of Louisville, Kentucky, presented the Board with a plan which provides for \$300,000 bodily injury liability and \$50,000 property damage liability. It also provides for personal injury liability of \$100,000 per person with a limit of \$300,000 per occurrence. Legal services would be provided by the Company. This coverage would be provided at a premium rate of \$3.00 per individual per year. One premium would cover an official in all sports in which he or she registers.

Following the presentation, J. C. Cantrell moved, seconded by Roy Winchester, that the K.H.S.A.A. provide the policy as presented for all registered officials in the K.H.S.A.A. All members voted aye.

Roy Winchester moved, seconded by J. C. Cantrell that all registration fees for all registered officials be \$9.00 for the first sport in which he or she registers and \$6.00 for each additional registration in other sports. The motion passed unanimously.

Upon the motion of Arthur Hawkins and a second by Howard Crittenden, the Board voted unanimously to require an individual or a relay team to participate in four meets during the regular season to be eligible to participate in the regional track meet.

Mr. Mansfield presented the case of Pat Dorroh, a student at Muhlenberg Central who is ineligible under By-Law 5, Section 4, Preceding Semester Rule. Following the presentation of the facts in the case W. P. Wheeler moved, seconded by Louie Martin, that the eligibility of this student be re-

stored and that he be made eligible the first semester. All members voted aye.

The Board declined to restore the eligibility of Brandon Chesser of Bishop David High School. The request being made concerned By-Law 5, Section 1, Number of Semesters. Brandon has been enrolled for 8 semesters. No action was taken because no motion was made.

The next meeting for the Board of Control was scheduled for Friday, July 26, 1974, at 10:00 A.M. at Kenlake State Park, Aurora, Kentucky.

Roy Winchester moved, seconded by Jack Fultz, that all bills of the Association for the period beginning April 1, 1974, and ending May 31, 1974, be allowed. The motion carried unanimously.

There being no further business, the meeting was adjourned.

Minutes of Board Meeting July 26, 1974

The Board of Control of the Kentucky High School Athletic Association met at Ken Lake State Park, Aurora, Kentucky, on Friday morning, July 26, 1974. The meeting was called to order by Vice President W. P. Wheeler at 10:00 A.M. Present were Board members Arthur Hawkins, Jack Fultz, Louie Martin, Jim Williams, George Sauer and Ray Story; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise. The Invocation was given by W. P. Wheeler.

Jack Fultz moved, seconded by Arthur Hawkins, that the reading of the minutes of the last meeting be waived, since members of the Board had received copies of the minutes. The motion carried unanimously.

Mr. Wheeler welcomed George Sauer and Ray Story as new members of the Board, and called for the election of Board officers for 1974-75. Jim Williams moved, seconded by Arthur Hawkins, that W. P. Wheeler and Louie Martin be elected respectively President and Vice President of the Board of Control by acclamation. The motion was carried unanimously.

President Wheeler welcomed Mr. J. D. Rayburn and Coach Cal Luther of Murray State to the meeting. Coach Luther extended a welcome to the Board of Control, on behalf of Murray State and spoke briefly on the facilities at Murray and expressed the desire to host a state athletic event. Mr. Rayburn invited members of

the Board of Control and their families to a picnic on Saturday evening. President Wheeler thanked them for their interest in the Kentucky High School Athletic Association and they departed.

Mr. Mansfield explained that two members of the Board had accepted positions outside the Region they were elected to represent, thereby creating two vacancies on the Board. He stated that an election was now being conducted as outlined in Article IV, Section 2, of the Constitution and By-Laws. The vacancies exist in Sections 1 and 5.

In the absence of Director Frank Simpson, Board delegate to the recent National Federation Meeting, Mr. Mansfield read his written report on the meeting to the Board. Mr. Simpson also expressed his gratitude for having had the opportunity to serve the Board as President during the past year.

President Wheeler also reported to the Board on the National Federation Meeting and expressed his appreciation to the Commissioner and his Assistants for their help in hosting the meeting.

The Commissioner made a report on Association receipts and disbursements during the 1973-74 year and presented copies of the proposed 1974-75 budget to the Board for consideration. Following the discussion Jack Fultz moved that the 1973-74 audit report and the proposed budget for 1974-75 be approved. Louie Martin seconded the motion and all members voted aye. A complete audit will appear in the August issue of the **ATHLETE**.

President Wheeler appointed the following Committees:

Policy Committee: Chairman Jack Fultz, Frank Simpson, Jim Williams

Trophy Committee: Chairman Arthur Hawkins, Jim Williams, Tom Mills

Retirement Committee: Chairman Louie Martin, Arthur Hawkins, Ray Story

Appeals Committee: West-Chairman Frank Simpson, Ray Story, George Sauer and the elected representative from Regions 1 and 2. East — Chairman Jack Fultz, Arthur Hawkins, Louie Martin, Jim Williams and the elected representative from Region 9 and 10.

Basketball Study Committee: Chairman Ray Story, Frank Simpson, Arthur Hawkins and the first and second Region Representative. Other non-Board members will be added.

Football Study Committee: Chairman Jim Williams, George Sauer, Louie Martin, Jack Fultz and representative from Regions 9 and 10. Other non-Board members will be added later.

The Commissioner presented the following eligibility cases to the Board for possible reinstatement:

1. Robert Happy Osborne, a student at Lynch High School who is ineligible under By-Law 5, Section 4, Preceding Semester Rule. Following presentation of the facts in this case, George Sauer moved, seconded by Louie Martin, that the Board declare this student eligible to participate in sports at Lynch High School during the 1974-75 school year. All members voted aye.

2. Gary Caton, a senior at Harrodsburg who is ineligible under By-Law 6, Section 1. The Board failed to take the necessary action to restore this student's eligibility after hearing the facts in the case. It did for lack of a motion for reinstatement.

3. Kevin Stump, a student at Paul Blazer High School, who is ineligible under By-Law 6, Section

Kentucky High School Baseball Tournament

Morehead State University, Morehead, Kentucky

June 3-6, 1974

BOARD MINUTES

July 26, 1974

(Continued from Page Six)

1. No action was taken by members of the Board to restore this student's eligibility as no motion to do so was made by any member.

4. James Young moved into the Pulaski County School district but chose to attend Somerset High School. Based upon the fact that the Pulaski County Board of Education and the Somerset Board of Education have an agreement on exchange students in this area, Louie Martin moved, seconded by Jack Fultz, that James Young be declared eligible to participate in sports at Somerset High School during the 1974-75 school year as he had a choice of either school. The motion carried.

Commissioner Mansfield presented a request from the principal and athletic director of Henderson County High School that golf be changed from a spring to a fall sport. The Commissioner

was instructed to conduct an opinion poll of all participating schools and report the results to the Board.

Tom Creamer and Roy Winchester expressed their appreciation for having had the opportunity to serve on the Board of Control and pledged their future support for its continued success. Mr. Creamer resigned as a member of the Board when he accepted the position of Basketball Coach at Danville High School. Mr. Winchester's term expired on June 30, 1974.

The next meeting date for the Board was scheduled for 9:00 A.M., Saturday, September 28, 1974, at the K.H.S.A.A. Building in Lexington.

Jim Williams moved, seconded by Jack Fultz, that all bills of the Association for the period beginning June 1, 1974, and ending June 30, 1974, be allowed. The motion was carried unanimously.

There being no further business the meeting was adjourned.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.
2. Require players to be physically fit and well conditioned before engaging in contact.
3. Do not allow a player with an injury to participate until he has medical approval to do so.
4. Make sure equipment is adequate, in good condition, and that it is properly worn.
5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.
6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.
7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.
8. Our Cooperative Football Plan and Student Insurance provide excellent coverage, service and economy.

The Federation Seal

(On The Cover)

The **National Federation Seal** was designed as a heraldic coat of arms which may be displayed with prideful enjoyment as long as deeds are consistent with the high purposes on which the organization was founded.

A condensed explanation of the symbols in the seal follows:

The **Seal is a Circle** to encourage those who make up the working machine to be a closely knit group with a friendly and cooperative regard that characterizes a family circle.

The **National Federation Name** is an arch, the engineer's symbol of strength. The arch is firmly notched in the bedrock base made up of member State High School Associations.

The **Shield** is the traditional badge of courage.

The **Four Stars** honor the four original member state associations of Illinois, Iowa, Michigan and Wisconsin, whose leaders were far sighted and courageous enough to aim at new horizons.

The **Map** shows that the organization is national in scope. The maple leaves are from the Canadian flag, the standard of the provinces in Canada.

The "State" in the shield is prominent to in-

K.H.S.A.A. Board of Control Officers — 1974-75

W. P. Wheeler
President

Louie Martin
Vice-President

W. P. Wheeler, Principal of the Daviess County High School, Owensboro, was elected President of the Board of Control at the summer meeting of the directors, held on July 26, 1974. Louie Martin, Principal of the Corbin High School, Corbin, was named Board Vice-President.

W. P. Wheeler was born in McLean County. He is a graduate of the Calhoun High School. He received his B.S. degree from Western Kentucky State Teachers College in 1949. He received his M.A. degree from this institution in 1954. He has done post-graduate work at both Peabody and Indiana University.

In 1949 Mr. Wheeler started his coaching career at the Utica High School, later becoming principal of the school. In 1959 he became principal of the Daviess County High School. He did his military service in the 13th and 82nd Airborne Division (Paratrooper).

In 1962 Mr. Wheeler was selected "Outstanding Young Man of the Year" for Owensboro and Daviess County by the Owensboro Jaycees. He is active in church and civic work, serves on the Board of Directors of Junior Achievement, and sponsors a "Hunting and Fishing" club at his school.

Louie Martin is a native of Letcher County, Kentucky. In 1957, he received an A.B. Degree from Morehead State University, and in 1960 he received the M.A. Degree from Indiana University. Eastern Kentucky University awarded him a Leadership Certificate.

Mr. Martin was a teacher and guidance counselor at Fleming-Neon High School for five years prior to becoming an area guidance supervisor with the State Department of Education. For the past six years, he has served as principal of Corbin High School, Corbin, Kentucky. His wife, the former Della Deloyse Jones of Knott County, is an elementary teacher in the Corbin City School System. They are the parents of one daughter, Lyesbeth Anne.

Attention Officials!

The attention of all registered K.H.S.A.A. football, basketball, wrestling and baseball officials is called to By-Law 28, Section 9, which provides that the official shall be supplied with an emblem which he shall wear on his shirt sleeve. The emblem is to be worn on the left shoulder shirt sleeve approximately one and one-half inches below the shoulder seam. The shape and make-up of the emblem has been changed this year. The rectangular emblems are of these colors; green for the "registered" official, red for the "approved" and blue for the "certified". It does not have the year on it so that its use is not limited to a single season unless the status of the official changes.

Recommended uniforms are as follows:

Football—black and white striped shirt (long or short sleeves), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball (Boys)—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces;

Basketball (Girls)—For the 1974-75 season either the blue and white or the black and white vertically striped shirt with short sleeves may be used. Collared shirts are recommended (no turtle-necks). Black or blue culottes, shorts, or skirts may be worn. **For the 1975-76 season the shirt shall be black and white striped and the culottes, shorts or skirts shall be black.** The shoes shall be black with black laces.

Baseball—navy blue or black trousers, black athletic leather shoes (not football shoes), navy blue coat or jacket, navy blue shirt if working coatless, white shirt if wearing coat or jacket, white shirt on bases if all base umpires are dressed the same, umpire's navy cap (no player caps), indicator and mask of choice, inner protector or inflated protector (inflate type if official desires to purchase), black belt, black shoe laces, black tie with white shirt.

Newly Elected Board Members

Cecil Reid

Fairce O. Woods

Prin. Cecil Reid, Symsonia High School, has been elected to the Board of Control to fill out the unexpired term of Howard Crittenden. Mr. Reid attended Symsonia High School and did his college work at Murray State University obtaining an A.B. Degree in 1934 and an M.A. in 1938. He taught and coached at Burnsville High School in Mississippi in 1934-35 and for the next three years.

Cecil was with the Graves County Health Department from 1939 to 1947 when he became principal of the twelve-grade school at Symsonia and also served as basketball coach the first six years.

Mr. Reid registered as a basketball official in 1938 and earned the certified rating which he held for many years until he quit officiating. He was of the first officials in the state to receive this rating.

Mr. Reid married Virginia Spears in 1936 (deceased 1968) and has one son, Larry Dale Reid. He is a past president of West Kentucky Administrators Association and past Master of Symsonia Masonic Lodge. He is a member of the Murray State Alumni Council, Symsonia Methodist Church Kentucky Association of School Administrators, the K.E.A. and N.E.A.

Mr. Fairce O. Woods, Principal of Fleming County High School, has been elected to the Board of Control to represent Regions 9 and 10. He will complete the unexpired term of Mr. Tom Creamer. Mr. Woods was born in Floyd County, attended Garrett High School and earned an A.B. Degree at Kentucky Wesleyan College. In his senior year, 1949, he was chosen Who's Who in American Colleges and Universities and received Honorable mention for the All American Basketball Team. After teaching and coaching at Deming High School in Mt. Olivet for two years he assumed the same position at Breathitt High School where he remained until 1967 except for two years, 1952-54, in the service.

Fairce, while coaching at Breathitt County the fourteen years, won 394 games and lost 67 for an 84% winning percentage.

After receiving an M.A. Degree at Morehead University in 1960, Mr. Woods served as Principal of Powell County High School from 1967 to 1971 before assuming his present position at Flemingsburg. In 1974 he received a Rank I Education from Eastern Kentucky University. He has served as a teacher, coach and principal for twenty-five years.

Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel \$2.00.

Fundamentals of ball handling are stressed; stance, grip, "feel" of the ball, fingertip control adjustment before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c, 1 reel, \$2.00.

Fundamentals of good blocking are taught in this film; position, speed, drive, follow-through, timing, and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

FOOTBALL BY THE RULES, e-j-s-c-a, 3 reels (30 min.), color, \$1.00.

The film will give to the viewer a better understanding and a keener appreciation of football. Modern photography presents many play situations that portray the guidelines used by officials in making judgment decisions so necessary in this sport.

In Memoriam

James David Montgomery

James David Montgomery (1935-1951), retired after serving as principal of Temple Hill High School for twenty-one years, director of Title I for seven years and pupil personnel director for five years, died last June 21 of a heart attack.

Montgomery was a native of Marshall County and was born in Calvert City. He began teaching in McLean County in 1923, and later taught and served as principal and coach at Summer Shade and Temple Hill.

He was a member of the Temple Hill Baptist Church and a participant in all church activities. Funeral services were held last June 24 with burial in the Summer Shade Cemetery.

He is survived by his widow, Luverne Montgomery; one daughter, Judith Nichols, Frankfort; one brother, Tilford Montgomery, Phoenix, Ariz.; two sisters, Mrs. Carroll Coursey, Calvert City, and Mrs. Juanita Bibbs, Owensboro.

Federation Seal

(Continued from Inside Cover)

dicates that the S at the extreme right of the circle is significant. The national organization is not an association but in all respects is a federation of associations.

The Four Stripes and Three White Bars above the shield represent the administrative districts and the school executives who unselfishly devote their time and talents to promoting the interests of all of the schools of the nation.

The Nineteen Rays on the arch are the rays of a rising sun to suggest that the Federation is a source of energy which will continue to grow in influence for a long day ahead.

The 50 Cogs in the inner circle are for the 50 member State Associations.

The Area between the shield and the cog wheel is in the shape of a horseshoe as a reminder that, despite the best laid plans of mice and men, Destiny has a way of intruding.

The Horseshoe Calks point upward—inviting a rain of blessings.

H. V. Porter —
 Former National Federation
 Executive Secretary

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the office of the K.H.S.A.A. in Lexington, on Saturday, September 28, 1974. The meeting was called to order by President W. P. Wheeler at 9:00 A.M. Present were Board members Louie Martin, Jack Fultz, Arthur Hawkins, George E. Sauer, Jr., Frank B. Simpson, Ray Story, Fairce O. Woods, Jim Williams, Cecil Reid, Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy Wise. Mr. Conley Manning represented the State Department of Education. The invocation was given by President Wheeler.

President Wheeler opened the meeting by extending a welcome to Fairce O. Woods, Principal of Fleming County High School, who was recently elected to membership on the K.H.S.A.A. Board of Control, representing Section 5, to fill out the unexpired term of J. Thomas Creamer and Mr. Cecil Reid, Principal of Symsonia High School, who was elected to fill out the unexpired term of Howard Crittenden in Section 1.

Jack Fultz moved, seconded by Frank Simpson that the reading of the minutes of the previous meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

The Football Classification for 1975 and 1976, as appears elsewhere in the "Athlete", was adopted upon a motion by George Sauer and a second by Arthur Hawkins. All members voted in favor of the motion.

Louie Martin moved, seconded by Jack Fultz, that schools who wish to appeal their football classification have until December 20, 1974, to submit their request for Board consideration. All members voted aye.

Tom Mills presented the Trophy Committee report, stating that bid forms were sent to ten prospective bidders. Three bids were received for all or part of the trophies and awards. The Trophy Committee recommended that the contract be divided between the three bidders. Jack Fultz moved, seconded by Louie Martin, that the recommendation of the Trophy Committee be adopted. All members voted aye. The successful bidders were The Riherd Sport Shop, Glasgow, Kentucky; The Trophy House, Owensboro, Kentucky; and The Athletics Goods Service, Cincinnati, Ohio.

The Board of Control declined to restore the eligibility of the following contestants by not waiving the penalty imposed in By-Law 6, Section 1, Transfer Rule;

(1) Jerry Thompson, Jr., a student at Bell County High School

(2) Kevin McCabe, a student at Bishop David High School

(3) James Ewald, a student at Kentucky Country Day

(4) Keith Taylor, a student at DeSales High School

The Board approved the Championship sites for the following sports:

1. Cross Country—Seneca Park, Louisville

2. Football — AAA — Fairgrounds, Louisville; A & AA — Eastern Kentucky University, Richmond

4. Girls' Golf—Shelbyville

5. Track — Western Kentucky University, Bowling Green

6. Rifle — Seneca High School, Louisville

7. Baseball — Morehead State University, Morehead

8. Wrestling — Atherton High School, Louisville

9. Swimming — AAA — Louisville; AA — Eastern Kentucky University

10. Fencing — Sacred Heart High School, Louisville

The dates and time for the above events and the sites for Boys' Golf, Gymnastics and Soccer will appear in a later issue of the "Athlete".

Commissioner Mansfield was authorized to sign the necessary contracts with the Kentucky Fair and Exposition Center for use of their facilities for the Class AAA Football Championship and the Boys' Basketball Tournament.

George Sauer moved, seconded by Louie Martin, that the initial year of the Girls' Basketball State Tournament be held on the campus of Eastern Kentucky University. The motion passed unanimously.

Ray Story moved, seconded by Jack Fultz, that all bills for the period beginning July 1, 1974 and ending August 31, 1974, be allowed. All members voted aye.

The Board of Control set the next meeting date for December 21, 1974, at 9:30 A.M. at the K.H.S.A.A. Building in Lexington.

There being no further business the meeting adjourned at 11:45 A.M.

Assignments of Girls' Schools to Basketball Districts

The assignment of the girls' schools to basketball districts was inadvertently omitted from the Constitution and By-Laws for 1974-75. The assignments are as follows:

Minutes of the State Cross Country Meeting

K.H.S.A.A. Building September 5, 1974

Regional managers for the Cross Country program met to discuss the tournament sites for the 1974 season. It was recommended that the winner and runner-up teams from each region, along with the first five individuals not on a qualifying team, be eligible for the State Meet. Previously the number of teams, competing in the regional meet had determined the number of teams qualifying for the State Meet. The regional sites were chosen by the managers along with recommendations that the State Meet for all three classes be held in Louisville, with Mr. Eddie Weber as manager, at Seneca Park. The State Meets will be held on October 26 at 10:30 A.M. for Class AAA, 11:30 A.M. for Class AA and 12:30 P.M. for Class A.

It was also recommended that the 1975 State Meet be moved to November 1. The regional sites, managers, and teams assigned to each are listed below. Each school listed will receive from the regional manager an information sheet and entry blank prior to the meet.

"Interscholastic Activities— Some Of Its Problems And Challenges"

by Lyman Ginger
 Kentucky State Superintendent of
 Public Instruction at the 55th Annual Meeting
 of the National Federation of State
 High School Associations

Mr. Karlin, platform guests, members of the National Federation, and guests. Even though Lt. Gov. Julian Carroll has extended a warm welcome to the visitors, I would like to add my word of welcome to you and express my genuine thanks for your coming to Kentucky for the Federation meeting.

It has been a real pleasure for me to meet and to renew acquaintances with quite a number of Federation members and Football Rules Committee members I had known in previous years. I am not sure how many years it has been since my first contact with the National Federation. I recall very well going from Chicago to Portland by train. Dave Arnold was on that trip and several other members of the Federation were going to the same conference. I also recall with a great deal of interest that the people of Oregon fed the entire assembly with one fish. Of course, the assembly was not quite as large then but the fish was, I can assure you. From that time until now I have had occasion to be in touch with members of the Federation. Cliff Fagan I have known for a long time. H. V. Porter was one of the first persons I met in the Federation. Therefore, my contacts have been numerous and very rewarding. It was with pleasure tonight that I met Mr. Williams from Idaho and had a chance to visit with him briefly. I believe it was announced that he is retiring soon and I can assure you that he has made a great contribution for his state and for the nation.

I am aware of the fine work that the Federation has done in the development of football rules, basketball rules, the publications that have been distributed, the research projects that have been carried on, and the regulations that have been applied and enforced for many, many years.

In this discussion tonight I would like to raise the general question of the place of interscholastic athletics in the educational venture of this nation and to raise a second question, "Do interscholastic athletics contribute to educational accomplish-

ments?" What I shall say is certainly only one man's opinion but I shall try to reflect on what I believe to be the many outstanding and important contributions that interscholastic athletics do make. I reviewed some of the previous studies that have been made about the educational objectives of this nation. I found that in one study needs were classified as biological, sociological, emotional, and educational and that this particular research believed that everything that is done with the school boy and girl should point in one of these four directions. Another study indicated that fundamental processes, for example, the skills of reading, writing, and communication, civic development, being a worthy home member, health, character development, use of leisure, and vocations were the outstanding objectives. A third study indicated that health and physical fitness, educational skills, citizenship, economic development, the development of scientific method, an appreciation for the fine arts, the proper use of leisure time, respect for other, creative thought, and society and the family as it contributes to the over-all well being should be the aims and goals. You will observe that in all of these there are certain principles that cut through the different studies. You will also observe that in these there is no specific mention of interscholastic athletics and its contribution to society and to education in general.

I would like to make my position very clear at the outset. It is my firm conviction that interscholastic athletics do make a strong, firm, solid contribution to the education of our youth in this nation. I shall not attempt to point out the different number of ways that these contributions are made but to discuss as best I can some of the problems that confront us and some of the things that must be done in an effort to make education and interscholastic athletics fit together in such a way that interscholastic athletics may be accepted by the rank and file of our taxpayers and our parents.

If you will, please keep in mind the three studies I mentioned earlier. It is my belief that anything we do in our schools must be measured with these studies and these conclusions as a part of our measuring stick. Therefore, if you will keep these in mind, you will see how athletics may be fitted into the general program of education.

May I raise a few questions that I shall not attempt to answer but simply throw them out as a stimulus for further discussion. What are some of the specific challenges to interscholastic ath-

letics? How do we fit interscholastic athletics into the total program of education? If we are not able to fit interscholastic athletics in for most of our boys and girls how many boys and girls should be included? What percentage or is there a percentage? What do we do to guarantee the greatest amount of participation?

One of the first problems I would like to mention is that of sex bias—an expression which suggests there is not an equal opportunity for both males and females in our schools. HEW has suggested that there shall not be sex bias in kindergartens, elementary grades, secondary grades, vocational schools, textbooks, or participation in any single program. I am sure that when we examine the content of the regulations of HEW, we will understand that boys and girls must be treated equally under every circumstance and that presentation of material in our literature and our textbooks which portrays the boy as the hunter, the brave guy, the fellow leaving home or the one who is doing the outstanding work for the production of money, goods, and services, and at the same time portrays the female as the demure, kind, sweet, considerate person who stays at home and keeps the home fires burning must come to an end and that any term or illustration which suggests a difference between the sexes will in the future be looked upon with a great deal of disfavor. Shop work in vocational schools must be open equally to both sexes and vocational occupations, such as home economics, sewing and the like, must be open equally to both sexes. Since this is the case, it suggests very strongly that in education there shall not be sex bias and the law suits that have been filed on behalf of females and the decisions that have been made suggest that in competition and interscholastic athletics of all kinds, there shall not be sex bias.

One of the first questions we should ask ourselves, I think, is whether all sports are equally advantageous to both boys and girls. Are the competitive sports, the contact sports—football, wrestling, soccer, ice hockey, and the like—the kinds of sports in which we should encourage girls to participate? We find that while there are about 400,000 boys participating in baseball in high school, there are practically no girls participating and that in basketball where 645,000 males are participating, only 132,000 females are participating and very few females are participating on the same teams with the males. Perhaps our culture and our previous habits and our previous understandings would suggest that sports such as bowling, golf, gymnastics, softball, swimming, and tennis might be more advantageous for young women. However, I would not dare say that these are the only sports that should be open to females. It is strongly suggested in the literature and in HEW regulations and in court cases that if females should request that they be allowed to participate in the competitive sports, that opportunities should be made available on an equal basis with males.

Just the other day I was participating in a press conference and the question of competition for women was raised. I very innocently asked the question, "Should girls participate in football?" Immediately, a 95-pound female suggested that, absolutely, if they wanted to play they should be permitted to play and that she would not object to going out for the football team at her high school and, in fact, she might just do that this fall. The question of safety came to my mind immediately and while I am not attempting to say that all of these things are wrong and

should not be done, I am suggesting strongly that the question of interscholastic athletics for women in the years ahead is one that must be handled better than it has been in the past.

The best information I have suggests that about three and one-half million boys participate in high school athletics in some 15 to 20 different kinds of sports while approximately one-quarter million females participate in these same sports. This raises the question, then, do we have equal opportunity for both boys and girls and my answer is, categorically, no, it is not equal for both. It seems to me that we should start asking ourselves now under what conditions will girls play on the same teams and under what conditions will we have sports that are different for young men and young women. Who will decide this and under what conditions will it be decided? It seems to me that since we are in the education business that we should be very clear in our planning—looking ahead for five, ten, fifteen years and making provisions for equal opportunities under every circumstance. I am suggesting strongly that the National Federation must take the lead as it has in every other area of interscholastic athletics. You have been on record for a number of years in the development of policies and procedures in the area of sex bias and sex opportunity and when I use the term "sex" I still am referring to interscholastic athletics. The next responsibility rests with state associations, with principals' associations, with superintendents' groups, with parent-teacher association groups, and with state departments of education. In other words, I am suggesting that this is a broad, big problem that should be approached and attacked in a manner that will be sure that all of society helps to solve.

With this as a general background, may I move to another point. What about the facilities that are needed to provide opportunities for all of our boys and girls? Here I am thinking of large practice arenas, not just central gymnasiums with thousands of seats for spectators, but large practice areas where bowling, swimming, tennis courts, softball diamonds and many other kinds of opportunities are provided and all of this constructed as a part of the school facility so that the school serves boys and girls during the school day, other groups in the afternoon and evening, and on Saturdays and Sundays. It is my belief that if we are to serve all of our people in this educational venture, we must by all means provide adequately by encouraging this kind of construction and not just a large gymnasium where the spectators view the program but very few people participate. If we really believe that facilities should be constructed in such a way that they contribute to the educational venture of all society, then it is my feeling that we should invest in such a way that it does just that—provide for everyone on a twelve-month basis.

The next area of concern is that of coaches—how are they prepared and what kind of preparation will they have? Will they be both men and women and will women be coaching some of the men's sports and men coaching some of the women's sports? I would raise this question with you. Who teaches the skills courses in the universities and colleges in your state? Are they the head coaches and the people who really know coaching and the skills or are they graduate assistants who have a great deal of ambition but not much knowledge? Just who does the teaching of skills subjects for coaches and prospective coaches? I would suggest to you that these should be taught

by the very best prepared coaches we have. I can think of nothing that is worse than to have coaches trying to work with teams when they are not able to develop the basic fundamental skills for our young people. For this reason, therefore, it appears to me that the Federation could work closely, not that you are not working closely, but even more closely with all colleges and universities in your state to see to it that the very best college coaches possible are working to develop the very best high school coaches.

To me it is tragic that young boys and girls develop the wrong habits when they are in the formative period of their training and are just beginning to learn. Unlearning is much more difficult than first learning, and some of the coaches I have seen working with junior high teams, little league and similar kinds of programs are certainly not well prepared in the basic fundamental skills. They have kids do wrong things in the wrong way at the wrong time and then to try to break the habit is certainly difficult if not almost impossible. It seems to me that if this is to be a fundamental part of the educational venture, we should insist that our coaches be properly prepared in every aspect of coaching. We make this kind of demand on our teachers of reading, we expect our science teachers to know the subject and to be able to teach it, we expect our math teachers to know and to be able to teach math, and we expect all others who work in the educational venture to be well prepared. Why not expect the same of coaches?

When we consider the needs for well prepared, good coaches, we must also consider at the same time, proper and appropriate salaries for all of our coaches. We must also consider security of coaches. You and I know that in many communities the coach who does not win is in jeopardy and we also know that unless these people can be given security beyond any that they have known in the past, we will continue to be hard pressed to find all of the properly prepared coaches that we need and that it will be difficult for us to fit our interscholastic athletics program into the total educational venture.

What shall be done with winning coaches and teams in cases of pregnancy? This is being handled in some cases in the courts but it appears to me that clearly established policies should be well defined in advance and that it should not be left to the courts for a decision, but how do we handle our coaching situations when they are on leave from classes to take teams on trips? How much extra pay do we have for our coaches and do we treat all coaches alike? Do we have established policies statewide that we recommend to all of our superintendents and do we have a sound educational basis for this? It seems to me that until we are able to face this one honestly and realistically, we will continue to have problems that do not lend themselves to solution in the educational venture.

The next major area I would like to discuss is that of funding, in general. Shall we continue to have booster clubs pay for a part of the uniforms, raise money to help construct stadiums, and raise money to do a number of things that logically belong in the educational budget? It is my strong feeling that booster clubs and similar type clubs not only should not be encouraged but should not be permitted. It is my feeling that if interscholastic athletics can be defended as being a part of the educational venture, it should be a part of the regular tax program and a part of the regular

budget and that construction, operation of programs, purchase of equipment, purchase of uniforms, paying for transportation, and all the rest should be handled in the regular education budget. It is further my belief that the money taken in at the gate in all athletic events, with the possible exception of the regional and state tournaments, should go into the general budget as a part of the general revenue and that this would provide a much safer, sounder, better program of funding and budgeting to account for the income in this way rather than to say that our athletic programs must be and are self-supporting. I can see no justification for this in a sound educational venture. It seems to me that just as we, in some cases, purchase band uniforms and band instruments, that all band uniforms and all band instruments should be purchased out of the regular budget; that glee clubs, debating, and all the rest should be operated as a part of the educational program and that salaries for coaches, chaperones, equipment, ticket sellers, and all other miscellaneous costs should be a part of the regular budget. I realize that this is in conflict with the practice that is going on in many parts of the country and in many high schools but I would invite the National Federation and the state associations to work with superintendents and principals in every way possible to place funding on a sound basis and thereby make the total program a part of the educational venture.

I have already stated, I believe, that I strongly favor interscholastic athletics that are appropriate for both boys and girls and I favor their being a part of the education program but we are kidding ourselves, I think, if we believe for a moment that this is not expensive and does not cost additional funds. For example, during our last session of the legislature, one of the members of the House of Representatives stated that all it would cost to have girl's basketball would be a few uniforms so that the girls would be able to participate in proper attire. He had overlooked the fact that transportation costs, cost for extra coaches, and the like would probably be in the neighborhood of four to five million dollars if all schools in the Commonwealth participated in athletics for girls on the same basis that boys are now participating. I think we are shortsighted if we try to make this a "don't-cost-much" kind of program. I suggest that we should do it right and properly and that the cost should be borne just as the costs for science, mathematics, physics, chemistry, library, and all the rest are borne.

The next area I would like to discuss briefly is that of control. It seems to me that the National Federation has done an excellent job in regulating and in working with the states in developing rules and regulations that are sensible and reasonable. My only feeling is that you have not gone far enough. I realize that you cannot control all-star games after high school boys have received their diplomas but I suggest that all-star games are, for the most part, senseless and worthless. I know that it does help to salve the ego of a few people, and I know that it does provide some money for charitable organizations and for those who are trying to raise money the easy way. I realize all of this but I can assure you that this is one of the areas that will and does lead to problems that spill over into the college and professional ranks.

The whole problem of early practice and playing games before teams have been properly conditioned is one you have attempted to solve

but in my opinion, that problem is still a pressing one in many parts of the country. The question of how many games shall be played is a question that should be answered in a very critical way. From my viewpoint, many states permit their high school athletes to participate in too many games prior to the tournaments. If we believe that all this is a part of the educational program, these questions must be considered and we must have rules and regulations governing procedures that assure us that we do have doctors, that we do have proper conditioning programs, that we do play the proper number of games, that we do have well supervised early practice, and that these factors become paramount in the educational program.

The next area is one of communications with the public. I do not know how to answer this question. I do not know exactly what recommendations to make but I have a strong feeling that we have not worked with the press, radio, and television enough to have them understand that inter-scholastic athletics should be, and in many cases, are a part of the educational venture. I think that we have not properly met with and worked with them so that they understand the role of athletics in the life of a high school kid. So often, I think, competitive interscholastic athletics is viewed through the eyes of the media as being a stepped-down pro or a stepped-down college operation and I think that as long as we permit this, it will continue to be just this way. It works to the disadvantage of our over-all program and, therefore, without being critical of the press, radio, or television, I understand that they are looking for the sensational, they are looking for the spectacular, they are looking for the controversial and they, the reporters, make no bones about this. It is easy for them to play up some event that has aroused some emotions on the part of spectators or on the part of parents or school officials. Oftentimes the coaches contribute to this wrong impression and oftentimes the impression that the coaches leave is the impression that the coaches wanted to leave. I have great respect for coaches and coaching but I do feel that the question of communication is one that we have skirted. We have talked about it but we have not met it head on in such a way that our students, our athletes, our schools are placed in the proper perspective in the role that they play.

The next area I want to mention I shall mention very hurriedly but I do think it is important. We have not done enough research in all aspects of interscholastic athletics. At what age may boys and girls begin to play without doing physical harm or sometimes emotional damage to that participant? I am not sure but what there are some sports that would be damaging to boys and girls at the pre-adolescent age. What is the attitude of the public toward competitive sports for high school and junior high school boys and girls? What is the attitude of the administration, the attitude of teachers and students? I would suggest that since collective bargaining is on the minds of a lot of teachers these days and that since many states do have collective bargaining regulations, that the effect and the impact of collective bargaining on interscholastic athletics should be examined at this time in its development rather than later. I think that all these things should be researched and the information should be provided so that we will have basic data on which to operate. Oh, I am fully aware of the research that has been done and the fact that it

has been done in a sometimes very scattered sort of way, and I am suggesting that the National Federation working with colleges, universities, and high school associations develop a systematic, long-range research project or program, perhaps even with federal funding, that would give us much better information than we have today.

As an aside to this general discussion, I would raise the question as to whether students in Russia or other European countries, in Singapore, Thailand, or South America have programs that may be superior to ours. Very few of their programs are connected with schools. Most of them are operated by federations or clubs and are outside of school supervision. Just a few years ago, a friend of mine from Australia came to this country. He coached national soccer teams in his country and he went to see a high school football game here. He thought that our high schools should not be doing this sort of thing but felt that it should be a free operation where clubs and federations could better operate and where they could have coaches who were doing this because they love sports, not because of the money they might be making. But while he had some suggestions to make about the operation of the program in this country, he still realized that if we are viewing this as an educational venture, that perhaps it was justifiable. I simply raise the question because as I have visited in the European countries and some of the other parts of the world, I have seen the clubs and federations operating good programs. They are not as systematic, the coaches appear to be less qualified, and the facilities are not as good, but there is a spirit of free competition that is a little different from that of our high school competition. I am not recommending that we move in that direction but I am certainly suggesting that we be aware of the fact that there are other ways of handling interscholastic, or perhaps better still, competitive athletics for the youth of this particular age.

I could not complete a discussion with any group without talking about sportsmanship, citizenship, and moral values of athletics. Far too many times, I feel, the adult—the mature individual, the parent—becomes involved to such a degree that the youth of our country get the wrong impression about the importance of athletics. The sportsmanship factor can be promoted, and it is, I think, being promoted in scores of ways in lots of places. I would hope that the press, radio, and television would do a great more than it has done to promote the importance of sportsmanship for, after all, participation in sports is not a life and death matter. It is not the kind of experience that means you are succeeding or failing on the basis of a goal or a tackle or a block somewhere in the competition. It does, I think, provide an opportunity to teach young people respect for the value and worth of an opponent and it does provide an opportunity for our being able to say to these young people, "Your opponent is just as anxious to win as you are. His ideas and ideals are just as high as yours, therefore, may the better producer on this particular evening win." I think that this must be sold to the public as well as to everyone else. It is not the referee, the coach, or the individual player in one play that usually decides the outcome. It is an accumulation of events and activities that make the difference.

Recently, I read an article in which the writer states that he felt that interscholastic athletics had no place in the high schools of the country. He then proceeded to say that the most exercise some

students got was "jumping to false conclusions," "running down the establishment," "side-stepping responsibilities," or throwing rocks at houses, cars, windows, and the like. I would suggest to you that very few athletes actually took part in the protest movement and the riots. They had other things to do, they were not taking part in that kind of thing, and they were not a party to it either in philosophy or participation. So I would say that instead of running down the youth of this country, let's build them up with a positive approach that physical skills are important, that a strong healthy body is an important kind of body, that school spirit is important in the lives of people, that the national spirit is also very important, and that all of our games can help contribute to this if we take the proper approach and work in the right way. There is still a place for the violent sports—football, hockey and the like—where young people who like contact can participate and really give vent to their feelings without having us lose our balance and our equilibrium over so-called "varsityitis."

It has been my great fortune to know three outstanding coaches in my life. The first is Blanton Collier, high school coach, University of Kentucky coach, and Cleveland Browns coach, one of the greatest football minds and one of the finest gentlemen I have ever had the opportunity of knowing. I have had many opportunities and experiences with him to see how he approached young people as well as the techniques of the game. It was his burning desire that every athlete complete college and get his degree and he took great pride in his athletes who were successful in many other ventures after they had completed college or the pro ranks. The second was Paul "Bear" Bryant, a different kind of person entirely. He was able to have a boy produce 110 per cent time after time. He was a great motiva-

tor, a fine recruiter, and a tremendous coach. While Blanton Collier was a different kind of individual, both in their own ways have made an outstanding contribution in college and pro football. The third is Coach Adolph Rupp. I have watched his teams play year after year and it was his belief that you break the game down into simple activities and that boys had to be in good condition to be able to run as hard in the last ten minutes as they did in the first ten. He believed that since the name of the game was to be able to shoot, that his boys had to practice shooting the right way, and since a part of the game was tough defense, they had to play it nose to nose and as hard as they could make it. He also believed that few simple plays would be much better than a lot of complicated plays. He, too, was a fine recruiter and a great motivator and the results produced by these three men, all with different personalities and attitudes, had made a great contribution. Again, it was my great good fortune to know them well and to see them operate and perform. Not all of our high school coaches could be this great but it seems to me that there are characteristics and qualifications that we can point to in the development of our interscholastic athletics programs and that the coach, his preparation and his attitude can be what the public wants it to be—a great contribution to the total educational venture in this nation.

I think one of the great things in this country has been the fact that our young people have been participants. I would like to see us have even more participants but under control, properly funded and financed, and well coached. I think the National Federation has faced a great challenge in this area and I challenge you as Federation members, both here and back home, to help make interscholastic athletics truly a part of the educational venture of this nation.

Basketball

BALL HANDLING IN BASKETBALL, j-s-c, 1 reel, \$2.00

Teaches fundamentals of basketball handling including stance, grip, control, adjustment, before shooting, catching the ball, and other points. Presents game shots, using special photographic techniques to illustrate principles.

BASKETBALL BY RUPP, j-s-c-a, 2 reels, \$3.00

Animated play diagrams, slow motion photography, and action shot are combined in this new film prepared under the personal direction of Mr. Rupp, especially for coaching use. Among the drills and plays covered in this film are: pivot man's slide into the basket; Play No. 6, the famous Kentucky basket marker; legal screening; penetration zone defense; and the Kentucky fast break.

BASKETBALL BY THE RULES, e-j-s-c-a, 3 reels (30 min.) color, \$1.00

Penetrates beneath the surface of the game to provide a thorough examination of the playing rules and officiating procedures. It will aid the fans as well as officials, coaches and players to better understand those difficult judgment decisions that occur constantly. (KHSAA)

BASKETBALL FUNDAMENTALS — INDIVIDUAL TECHNIQUES, j-s-c-a, 1¼ reels, \$2.50

Branch McCracken, Indiana University basketball coach, used his team to demonstrate the fundamentals of basketball. Slow motion photography is used to break the various court techniques down into easily grasped essentials.

BASKETBALL KENTUCKY STYLE, j-s-c-a, 2 reels, \$3.00 (in state), \$5.00 (out of state)

This is the revised edition of the film "basketball by Rupp," prepared under the personal direction of Mr. Rupp especially for coaching use.

BASKETBALL STRATEGY FOR GIRLS, j-s-c-a, 1 reel, \$2.00

The basic strategy of offense play (fakes, rolls, cutting, screen, varying pace) and defense play (player to player, basic zone, shifting zone, triangle, and diagonal) is demonstrated and explained in this film.

BASKETBALL TECHNIQUES FOR GIRLS, j-s-c-a, 1 reel, \$2.00

Basic movement skills (running, starting, stopping, turning) passing (finger control, movement with the pass, leading the receiver, choice of the right pass), catching (side pass, high pass), shooting (finger control, arm extension, wrist flip, choice of the right shot), dribbling, faking, and pivoting are demonstrated and explained in this film.

CHAMPIONSHIP BASKETBALL—TEAM TECHNIQUES, j-s, 1 reel, \$2.00

Man-to-Man defense is shown, with the means best used under varying conditions.

DEFENSIVE FOOTWORK IN BASKETBALL, j-s-c-a, 1 reel, \$2.00

Striding with an opponent, checking, maneuvering him out of position and other basic skills are illustrated, using special photography to demonstrate points. Rebounding, pivoting, and correlated arm action are taught also.

ELIZABETHTOWN VS OWENSBORO, (1972 Basketball Finals), e-j-s-c-a, 1 reel, (35 min.), Color, Silent, \$1.00

The Red Devils from Owensboro, Kentucky used strong rebounding and excellent shooting to capture the 1972 State Championship 71-63. (K.H.S.A.A.)

LOUISVILLE MALE VS ANDERSON COUNTY (1971 Basketball Finals), e-j-s-c-a, 3 reels (33 min.), Color, Silent, \$1.00.

The male Bulldogs displayed their superiority in wearing down a smaller but talented Anderson County to win the championship for the second consecutive year, 83-66. (K.H.S.A.A.)

OHIO COUNTY VS CENTRAL (1969 Basketball Finals), e-j-s-c-a, 3½ reels (35 min.), color, Silent, \$1.00

Central High School of Louisville won the State Championship by defeating Ohio County, 101-72, in the final game. Central eliminated Richmond Madison, Hopkinsville, and Maytown to reach the championship game. (KHSAA)

RUPP'S PARADE TO THE NATIONAL CHAMPIONSHIP of 1958, j-s-c-a, 4 reels, \$4.50

This film presents the highlights of all the games, both regular season and tournament games, which led up to the U of K's Wildcats winning the NCAA basketball crown.

SHOOTING IN BASKETBALL, j-s-c-a, 1 reel, \$2.00

Concentrating on the set shot, this film pictures the action of the throw, stance, aim, trajectory, and fingertip control. Special attention is given total body coordination, especially inward rotation of the hand and arm making the throw.

Swimming

BACK STROKE, e-j-s-c-a, 1½ reels (15 min.), \$3.00

Good body position and efficient arm action are the basis for the fine performance. Special attention is given to the start and the turn. Effective use is made of animation, stop action and slow motion.

BEGINNING SWIMMING, e-j-s-c-a, 1 reel, \$2.00

Through scenes photographed both above and beneath the surface of the water, basic techniques of swimming for beginners are demonstrated. Land and water drills involving kicking, breathing, floating, padding and stroking and pulling with the arm practiced separately, then coordinated as the swimmer learns the American crawl. The back float, back stroke, and breast stroke are also illustrated and explained.

BREAST STROKE, SIDE STROKE AND UNDERWATER SWIMMING, e-j-s-c-a, \$2.00

This film presents the conventional breast stroke, timing and strokes, and the kick.

BUTTERFLY, e-j-s-c-a, 1½ reels (16 min.), \$3.00

Newest and most challenging of the swimming strokes is examined in detail. Making use of slow motion underwater photography, the arm action and dolphin kick are analyzed. Correct timing between arms and leg action is vital to performance. Reasons for timing are clearly explained.

CHAMPIONSHIP SWIMMING: PERFECTING TECHNIQUE, e-j-s-c-a, 2 reels, (19 min.), color, \$5.50

Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The techniques illustrated, such as weight, training, circle training, pace clocks, bench and stroke work, and interval training, when properly applied in the appropriate circumstances, with all prove beneficial in perfecting swimming style.

National Federation Basketball Test

Part II of the National Federation basketball examination will be given all over Kentucky on Monday, December 2, to officials who wish to work for the Approved and Certified ratings. The examination sites will be determined by the Commissioner. Officials registered with the K.H.S.A.A. for the first time this year and who have not been registered previously in any other state association, are not eligible to take the test for a higher rating. Those interested should advise the Assigning Secretary immediately in order that necessary arrangements can be made with the schools by the Assigning Secretaries who will supervise the taking of the exam.

The Game Guy Award

The K.H.S.A.A. will continue to give the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to "Game Guy Committee, K.H.S.A.A., P. O. Box 7502, Lexington, Kentucky 40502." Deadline for the 1974 nominations is April

In Memoriam

Harry K. Hardin

Harry K. Hardin was born on December 27, 1912, at Tolu, Kentucky. Harry attended Tolu High School where he starred in basketball. The team reached the State Tournament in 1930 and 1931, advancing to the semi-finals the first time and the finals the following season. He was the high scorer in the final game.

Harry earned his B.S. Degree at Western and an M.A. Degree at Indiana University. While at Western he was a regular on the basketball team for three years. From 1935-37 he was employed at Drakesboro High School as coach and biology instructor. At the old Fairdale High School he taught and coached until 1957. When the old Fairdale High School was discontinued in 1951 he went to Southern High School as Assistant principal, teacher and coach. When the new Fairdale High School opened in 1958, he was assigned to the principalship, a position he held until he retired in June 1973. Harry passed away on October 1, 1974.

Harry is survived by his wife, the former Kathryn Hester of Fairdale, and a son, Stanley, who is head coach at Fern Creek High School.

ANNOUNCING

INTERSCHOLASTIC ATHLETIC ADMINISTRATION

The Professional Magazine For High School Directors of Athletics

Since 1971, when the National Federation began conducting an annual national conference for high school Directors of Athletics, the need for a forum for the year-long exchange of ideas relating to interscholastic athletic administration has been apparent.

With your help, the National Federation will provide this forum in Interscholastic Athletic Administration, a quarterly publication edited specifically for high school Directors of Athletics.

Interscholastic Athletic Administration will focus on total responsibility for management of high school athletic programs, considering both problems and solutions. For example, the central theme of the first issue, which will be available by December 1, 1974, will be the facilities squeeze and ways to ease it.

Regular features will include recent rule changes which affect facilities and equipment, an idea exchange, an interview, a portrait of a state athletic directors association, and a report by the National Federation on factors affecting high school athletics in general — such as litigation, legislation, collegiate recruiting, professional sport, inflation and the energy shortage.

The majority of editorial features will be written by high school Directors of Athletics. Subjects will include scheduling, budgeting, awards, crowd control, community relations, fund raising, training room procedures and team transportation.

Personal and professional advancement ideas and tips on effective communication and leadership will also be included. Interscholastic Athletic Administration is intended to keep the professional Director of Athletics informed of new ideas and techniques in high school athletic administration.

We earnestly recommend your subscription to Interscholastic Athletic Administration for the charter rate of \$6.00 for the four quarterly issues.

TO SUBSCRIBE, send the attached form promptly to the:

National Federation of State High School Associations
Post Office Box 3153 — Grand Central Station
New York, New York 10017

Films

(Continued from Inside Front Cover)

CRAWL STROKE, e-j-s-c-a, 1 reel, \$2.00

The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This film also includes slow motion shots underwater.

DIVING FUNDAMENTALS, j-s-c-a, 1 reel, \$2.00

After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

DOLPHIN KICK, e-j-s-c-a, 1 reel, \$2.00

An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

DROWN PROOFING, j-s-c-a, 1 reel (9 min.), color, \$4.50

Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-nine per cent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.

I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.), color, \$3.00

Jimmy Cricket illustrates the "do's" and "don't" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

SPRINT CRAWL, e-j-s-c-a, 1¼ reels (14 min.), \$3.00

Underwater photography plus animation demonstrate the dynamics of moving solid bodies through water and the resistance factors that must be overcome. You see the employment of arms and legs as well as entire body for speed, streamlining power. Championship racing starts breathing techniques, and turns are shown in slow motion.

SWIM AND LIVE, j-s-c-a, 2 reels, \$2.00

Men of the Army Air Force at Miami are taught to swim from floating to swimming through burning oil. The film is useful for pre-induction instruction and for safety classes as well as for general programs.

SWIMMING BY THE RULES, e-j-s-c-a, 1½ reels, (18 min.), color, \$1.00

The first film ever produced to demonstrate the interpretation of the rules of swimming. Official procedures for starting, stroke judging, turn judging, finish judging and timing are illustrated. Divers in action show numerous faults and how much each fault lowers the diver's score. (KHSAA).

SWIMMING AND DIVING TODAY, 16mm, (17 min.) color

This film uses slow motion, stop action and instant replay techniques to clarify rule interpretations and officials' procedures for inter-scholastic swimming. The specifics are—Backstroke, Breaststroke, Butterfly, Official Mechanics; Among Dives Considered, and Lap Counting.

Wrestling

JIU JITSU, j-s-c-a, 1 reel (13 min.), \$1.00

Demonstrates the effective, dangerous Jiu

Jitsu defenses against knife, gun, club and mug-ging attacks.

WRESTLING BY THE RULES, e-j-s-c-a, 2 reels (18 min.), color, \$1.00

Devoted to rules interpretations and officiating procedures. A visual approach to the written rules is shown in sixty scenes. Guidelines for officiating such areas as takedowns, reversals, stalling, technical violations and illegal holds are presented. (KHSAA)

WRESTLING OFFICIATING ILLUSTRATED, j-s-c-a, 2 reels, color, \$1.00

Interpretations given in Wrestling Officiating Illustrated have been made by the National Federation members of the Joint Rules Committee. The film covers takedowns, reversals, escapes, leaving the mat, stalling, scoring and illegal holds such as body slam, bar arm, full nelson and chicken wing. Guidelines for officiating and interpreting the rules are provided. In all there are sixty separate scenes of wrestling. This film will provide the much needed guidance and proper interpretations for interscholastic competition.

WRESTLING TODAY, 16mm, (17 min.), color

This film displays the starting position on the mat, for the defensive and offensive man and also the referee's position. Also when control is gained, takedown, when control is lost or the escape, when control change is reversed. The near fall and pinning situations from a takedown standpoint, stalling tactics in neutral positions.

This is a brief synopsis of the pertinent areas of the rules code illustrated in this color film. The movie was produced by the National Federation of State High School Associations.

SINCE WE PROVIDE COVERAGE FOR ABOUT 50% OF THE SCHOOLS IN THE STATE, WE DO HAVE A COMMERCIAL INTEREST IN THE ACADEMIC AND ATHLETIC PROGRAMS OF ALL OUR SCHOOLS.

BUT OUR REAL INTEREST IS MUCH DEEPER. WE ARE VITALLY CONCERNED THAT GOOD CITIZENSHIP, A SPIRIT OF FAIR PLAY, AND A REAL SENSE OF PERSONAL RESPONSIBILITY BE INSTILLED IN THE YOUTH OF OUR DAY.

WE BELIEVE THESE ARE THE QUALITIES THAT HAVE MADE AMERICA GREAT, AND ARE THANKFUL FOR OUR SCHOOLS AS THEY WORK TO CONTINUE THAT GREATNESS.

Attention!

Principals and Officials Basketball Film and Lecture on Educational Television

The Kentucky High School Athletic Association in a joint effort with the Kentucky Educational Television (KET) will present an hour-long special on basketball officiating on Monday, January 13, at 9:00 P.M. (EST).

KET will present a 27-minute film, "Basketball Today," followed by a live phone-in. The K.H.S.A.A. is using this special to increase the knowledge of spectators as well as players, coaches and officials on the rules of the game.

A panel of experts, including Billy Wise, Assistant Commissioner of the Association; Bobby Flynn, clinic director for basketball officials and Mrs. Patsy Nielsen, teacher and basketball official, will answer questions from viewers during the last 30 minutes of the program.

A more detailed analysis of the program, the panel, and how viewers can call KET to have their questions answered will be distributed soon to the news media, as well as individual letters to coaches and referees.

The KET network includes: WKMA, Madisonville, Ch. 35; WKMR, Morehead, Ch. 38; WKMU, Murray-Mayfield, Ch. 21; WKON, Owenton, Ch. 52; WKPI, Pikeville, Ch. 22; WKSO, Somerset, Ch. 29; WKAS, Ashland, Ch. 25; WKGB, Bowling Green, Ch. 53; WCVN, Covington, Ch. 54; WKZT, Elizabethtown, Ch. 23; WKHA, Hazard, Ch. 35; WKLE, Lexington-Richmond, Ch. 46; WKMJ, Louisville, Ch. 68; Owensboro Translator, Ch. 73; Whitesburg Translator, Ch. 73; Pineville Translator, Ch. 8; Barbourville Translator, Ch. 12; Cowan Creek-Eolia Translator, Ch. 12; Louisa Translator, Ch. 10.

Attention Track Coaches!

You have been sent a copy of the Track and Field Rules for boys. Changes authorized by the Track and Field Rules Committee are noted on the inside front cover. The revisions in the body of the rules are identified by a screened background. This same procedure is followed in other National Federation publications and is generally accepted. There are in excess of a dozen rules changes but the majority of them are for the purpose of clarification and do not constitute major revisions.

The scoring table on page 24 is new. It was developed in order to eliminate some of the misunderstandings concerning the number of places to score based upon the number of teams competing in a given meet. It is specifically called to your attention because there is a typographical error under individual scoring for two teams. This error was discovered too late to make a correction in the copy. For two teams competing individual scoring should read 5-3-1. We hope you will have an opportunity to advise all competing schools and officials of this minor error.

Attention, Principals and Superintendents

The forms to be used for ordering tickets to the State Basketball Tournaments will be mailed in December. Instead of trying to get the order postmarked January 2, as indicated on the Memorandum Calendar, you may send anytime through January 15 without loss of priority. The Board of Control has set up a seating rotation plan to be used from one year to another for distributing the tickets calling for seats in the arena. Also, this will give you additional time to prepare the order.

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1975 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-b, of the Constitution states in the last sentence "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented." The names of the district representatives are as follows:

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Building, Lexington, on Saturday, December 21, 1974. The meeting was called to order by President W. P. Wheeler at 9:30 A.M. with all Board members, Commissioner J. B. Mansfield, and Assistant Commissioners Tom Mills, Billy Wise and Louis Stout present. Conley Manning was present representing the State Department of Education. The invocation was given by Frank Simpson.

Ray Story moved, seconded by Arthur Hawkins, that the reading of the minutes of the September meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

President Wheeler introduced Mr. Eldon Davidson, new Board member representing Section 6. Mr. Davidson replaced Jim Williams who resigned his membership on the Board when he accepted a new position with the Somerset Board of Education.

Mr. Eldon Davidson presented the eligibility case of Rick Barnes, a student at Monticello High School. Rick is ineligible under By-Law 6, Section 1, Transfer Rule. Following comments by Mr. Davidson, Rick's mother spoke before the Board on Rick's behalf. President Wheeler thanked Mrs. Barnes and assured her that her comments would be taken into consideration and that she would be informed of the decision of the Board. After a discussion of the case, Mr. Davidson made the motion that the eligibility of Rick Barnes be restored. The motion failed for lack of a second.

Prin. Wilbur Jamerson and Coach Frankie Francis of Wheelwright High School came before the Board to present the eligibility case of Michael B. King. Michael is ineligible under By-Law 6, Section 1, Transfer Rule. Michael is currently living with his grandparents in the Wheelwright school district. He came to them from Madison, Ohio, when his parents separated and he could no longer have a home with either. The Board restored his eligibility in that his grandparents were standing in place of his parents. The motion was made by Louie Martin and seconded by Jack Fultz. It carried unanimously.

Commissioner Mansfield presented the following eligibility cases to the Board of Control for consideration, all of whom are ineligible under By-Law 6, Section 1, Transfer Rule:

Richard Scott Lacy, Pleasure Ridge Park High School

Roy Dale Richardson, Estill County High School

David Allen Gray, Maysville High School

Stacy Stuart, Henry Clay High School

Chris Bastien, Barren County High School

Eddie Raymer, Webster County High School

After hearing the facts in the above cases, the Board failed to take the necessary action to restore their eligibility.

Mr. Mansfield then presented the case of Claude Hentchey, a student at duPont Manual High School, who is ineligible under By-Law 4, Age. After hearing the case the Board failed to take the necessary action to restore his eligibility.

The case of Randy Hager, a student at Phelps High School, who is ineligible under By-Law 5, Section 3, Enrollment, was then presented. Randy has not been in attendance for the required three months this semester. No action was taken to restore his eligibility.

The Commissioner presented the case of Rick Stockstill, a student at Georgetown High School, who is ineligible under By-Law 5, Section 1, Enrollment. Rick was unable to attend school the first semester of this school year because of an injury sustained in a football scrimmage. Upon a motion by Ray Story and a second by Arthur Hawkins, the Board voted unanimously to restore the eligibility of Rick Stockstill.

The next case presented was on behalf of John Stone, a student at Henry Clay High School. John is ineligible under By-Law 5, Section 3, Enrollment. After hearing the facts in the case and upon a motion by Louie Martin and a second by Ray Story, the Board voted unanimously to restore the eligibility of John Stone at Henry Clay High School.

Mr. Hendree Milward, representing the Powell, Walton, Milward Insurance Company, came before the Board to explain and offer a liability policy for Board members and executive officers. After he completed his presentation, members of the Board asked several questions pertaining to situations which would or would not be covered under this policy. President Wheeler then thanked Mr. Milward and he departed. After considerable discussion, George Sauer made the motion that the Board purchase the liability policy from the Powell, Walton, Milward Insurance Company in the amount of one million dollars (\$1,000,000.00) at a three year premium rate of \$2,739.00. Fairce Woods seconded the motion and all members voted aye.

Prin. Harold Storm and Ath. Dir. Hobert Hodges, of Laurel County High School, came before the Board requesting that Laurel County High School be changed from Class AAAA, Region III, District 2, to Class AAA, Region III, District 2, in football. Mr. Storm explained that the reason for the request was based upon several things. He explained that the football program at Laurel County was only five years old and had not advanced to the level of other Class AAAA schools. For financial reasons he did not think his school could travel the required distance to compete with those schools in the district his school had been assigned. He presented letters from the principal of each of the schools in the lower class stating that they did not object to the move. After answering questions from Board members they thanked the Board for their time and departed. Following a lengthy discussion, during which it

INFORMATION STATE HIGH SCHOOL BASKETBALL TOURNAMENTS

(Boys and Girls)

The 1975 State High School Boys and Girls Basketball Tournaments will be held in Freedom Hall, Louisville, on March 19-22 and at Eastern Kentucky University, Richmond, on March 26-29, respectively. The first session of the tournament is scheduled for Wednesday afternoon. There are two sessions for each of the days, Wednesday, Thursday, Friday and Saturday.

On or after February 1, 1975, K.H.S. Boys' State Tournament, P. O. Box 7502, Lexington, Kentucky 40502, will accept mail orders for complete sets of tickets for the tournament. The orders for the boys' tournament will be filled after the schools have received the tickets allotted to them under the plan of distribution set up by the K.H.S.A.A. Board of Control. The orders from the 300 member schools will take all the box seats on the sides, all the chair seats below the boxes and chair seats in the center chair section. For the past several years those remaining have been in the corner and end sections.

The prices of tickets per set (8 sessions) for the boys' tournament are as follows: end box seats, \$32.00; side balcony chair seats, \$32.00; end balcony chair seats, \$20.00. Each order must include a remittance of 25c for postage and insurance on the tickets, and checks should be made payable to K.H.S. Boys' State Tournament. Orders for individual session tickets will be accepted during the February 10-28 period, and should not be included with orders for complete sets of tickets mailed prior to that time. Tickets available for individual session tickets will be side balcony chair seats at \$4.00 a session and end balcony chair seats at \$2.50. All seats in Freedom Hall are chairs. An over-the-counter sale will begin at Freedom Hall on March 11 and continue through the tournament.

The prices of tickets per set (8 sessions) for the girls' tournament are as follows: side chair seats are \$32.00; the side bleacher seats are \$24.00 and the end bleacher seats are \$16.00. Only complete sets of tickets may be ordered by mail. Checks or money orders should be made payable to Girls' State Tournament Ticket Sales. Mail or-

ders will be accepted on or after February 1. Tickets for individual sessions may be purchased at the tournament site any time during the tournament.

Attention, Swimming Coaches!

The events for the State Swimming Meets for 1975 will be the same as those listed in the K.H.S.A.A. Constitution and By-Laws, Swimming Regulations on pages 58-59. The only difference being the 400 Yard Freestyle which is 500 yards in the National Federation Rules. The National Federation Rules will be used beginning in 1975.

The Class AAA Meets will be held at the Plantation Club in Louisville on February 21-22. The Class AA will be held at Eastern Kentucky University on April 4-5. The following schools have indicated they will have teams.

BOARD MINUTES

(Continued from Page One)

was pointed out that many other schools were faced with the same problem and to approve this request could start a trend which would destroy the classification systems, the Board refused to approve this request.

A request was received from Cumberland High School, requesting that they be permitted to change from Class AA to Class A. The Board did not take action on this request.

Requests were received from Henderson High School and Corbin High School that they be allowed to move from a lower to a higher class and assigned to a new district and region. Since this has been the policy of the Board in the past,

George Sauer moved, seconded by Fairce Woods, that the request be granted. All members voted aye.

No action was taken on requests from Carroll County High School, Trimble County High School and Madisonville North Hopkins High School to change to other districts or regions within their present Class.

The Commissioner recommended that the following regulations concerning the fees for districts, regional and state basketball tournament officials be adopted. The district tournament officials shall receive a fee of \$30.00 per game, the regional tournament officials shall receive a fee of \$35.00 per game and the State Tournament officials shall receive \$40.00 per game. The transportation allowance shall be 10c per mile for all necessary travel. In the event that it is necessary for the official to remain over night at the tournament site, he or she shall be paid an additional \$20.00 per day for lodging and meals. The same rates shall apply to both boys and girls tournament officials. Cecil Reid moved, seconded by Frank Simpson, that the regulations recommended by the Commissioner be adopted. The motion was carried unanimously.

Coaches Rondel Dunavent of Owen County High School; Larry McMillian, Oldham County High School; George Schneider of Covington Catholic High School; Jim Conner of Boone County High School; Bill Crumbaugh and John Peterson of Franklin County High School came before the Board to present a recommendation on proposed changes in the present playoff method in baseball. Coach Dunavent informed the Board that much study and effort had been given to their proposal and through other members of the group had contacted baseball coaches throughout the state and found almost all coaches in favor of the recommended change. Following a question and answer period, President Wheeler thanked the coaches for coming and assured them that a complete study would be made and a decision rendered by the Board as soon as possible. Coach Dunavent and his group thanked the Board for their time and departed. The Board then directed Assistant Commissioner Louis Stout to work with this group in drawing up a proposal to be forwarded to all schools with the results being presented to the Board during their January meeting.

Assistant Commissioner Tom Mills reported that the football championship playoffs continue to be successful. Financial reports have been received from all game managers, indicating that all expenses have been paid with shares of profit having been sent to the schools involved. The receipts of the Class AAA final game held in Louisville was up slightly over the finals for 1973. The receipts for Classes A and AA finals held in Richmond were slightly under the comparable figures for 1973. After a discussion concerning an additional amount to be allotted to each team taking part in the final games, Frank Simpson moved, seconded by Fairce Woods, that each of the six teams involved shall receive an additional amount of \$500.00. The motion carried unanimously.

Mr. Mansfield stated that after receiving several requests to change golf to a fall sport that he had conducted a survey of the schools involved. The results were 100 schools favored leaving golf a spring sport while 86 stated they would prefer it be changed to a fall sport. No action was taken by the Board to make this change.

Mr. Mansfield presented the request of Judy Morris, President of the Kentucky Girls Sports'

Association that the organization be allowed a voting member on the Delegate Assembly and that the district basketball manager withhold \$3.00 from district receipts to pay for two coaches' membership for each school. The Board ordered the Commissioner to submit a referendum to the principals to permit the president of this group to be a voting member at the Delegate Assembly. Ray Story moved, seconded by Frank Simpson, that this request be granted. All members voted aye.

Mr. Mansfield reported that it was deemed advisable to employ a different firm to audit the books of the K.H.S.A.A. He recommended that the firm of Monroe and Associates of Lexington be employed. Cecil Reid moved, seconded by Louie Martin, that the recommendation of the Commissioner be approved. All members voted aye.

Fairce Woods reported that many schools in his area were having a problem with officials not reporting for their assigned games in basketball. Other members of the Board reported the same problem. Following a discussion of the situation, Commissioner Mansfield was instructed to inform all assigning secretaries that failure to show up for an assigned game by an official, unless providentially prevented from doing so, is cause for suspension for a one year period since this is a violation of By-Law 28, Sections 7 and 8.

Assistant Commissioner Mills requested that the Board consider changing the date for the drawing for the State Basketball Tournament from February 22 to February 21. This would permit the drawing to take place on Educational Television where it could be viewed throughout Kentucky. Fairce Woods moved, seconded by Jack Fultz, that this change be approved. All members voted aye.

President Wheeler appointed George Sauer, Arthur Hawkins and Louie Martin to serve on a Committee to study and make recommendations on athletic insurance coverage for member schools. This Committee is to report its findings to the Board at the January meeting.

Jack Fultz moved, seconded by Fairce Woods, that all bills of the Association for the period beginning September 1, 1974, and ending November 30, 1974, be allowed. The motion was carried unanimously.

The next meeting date for the Board was scheduled for January 24, 1975, at 9:30 A.M., at Stouffers Inn in Louisville.

There being no further business, the meeting was adjourned at 2:30 P.M.

1974-75 WRESTLING

EARLY SEASON QUESTIONS

INSTALLMENT I

EDITOR'S NOTE: These interpretations of the 1974-75 National Federation Wrestling Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Associations in response to situations presented.

Clifford B. Fagan,
Editor, National Federation Publications

1. **Situation:** Wrestlers of Team A report for competition in: (a) one-piece uniforms commonly used for international competition; or (b) two-piece uniforms consisting of bermuda length shorts and properly cut shirt; or (c) full-length tights over which is worn a one-piece uniform with a shirt cut so the front and back are level with the arm pits but the dip under the arm is cut below the mid-point between the wrestler's waist and arm pit.

Ruling: The uniforms in (a), (b), and (c) are illegal. Wrestlers will be given a maximum of three minutes to secure uniforms which comply with the rules. Failure to comply with the required uniform shall result in a forfeit.

2. **Situation:** In a multiple school tournament being conducted in one day, there are: (a) eight schools invited, and it is announced four places will be scored; or (b) 16 teams are invited, and it is announced six places will be scored.

Ruling: Wrestlers are limited to no more than four full-length matches during a day. Full-length matches are those for which the time limit is specified by rule and are six minutes in length for championship or five minutes in length for consolation. In (a) it would be possible for a school to conduct an eight team tournament wrestling back to four places because this would consist of a maximum of four matches for any wrestler. In (b) it would not be possible for a wrestler to wrestle-back because of the four-match limitation.

Comment: The purpose of the rule change is to protect the health of wrestlers. When wrestlers are permitted to compete in more than stipulated by rule, there is a greater possibility they will tire and be subject to injury. This should be avoided. In adopting the rule change, the committee was aware there are takedown tournaments being conducted in various areas. These tournaments usually consist of two-minute matches and because they involve only a single skill are not included in the limitations.

3. **Situation:** During the third period, B1 is successful in executing a stand up and escapes. This maneuver puts B1 one point ahead of A1, and he is content to avoid A1. When the wrestlers do tie up, B1 makes no attempt to take A1 down and blocks attempts by A1 to secure a takedown.

Ruling: The referee will stop the match and warn B1 for stalling if he has not previously been warned or penalized. Whenever it is necessary to warn a wrestler for stalling in the neutral position or to penalize a wrestler, the match shall be stopped and the warning or penalty clearly indicated and wrestling resumed as following an out-of-bounds.

4. **Situation:** In the second period of a match, A1 who is ahead 2 to 1 is successful in applying the figure-4 scissors to the body of B1. A1 flattens B1 to the mat but does not attempt to turn B1.

Ruling: When it is apparent A1 is not working to

turn B1, a stalemate will be declared. The match will be stopped and restarted as following an out-of-bounds. If this tactic is repeated, A1 will be warned or penalized for stalling. If A1 has not been warned, the match will not be stopped for warning. However, if he has been warned, the match will be stopped when penalizing.

5. **Situation:** From the starting position on the mat, B1 is successful in executing a stand up and just as he is about to escape A1 locks both hands around the ankle of B1. B1 turns and attempts to control A1 by grasping his leg.

Ruling: After it is obvious neither wrestler can improve his position, the referee shall declare a stalemate. The fact A1 has locked his hands around the leg of B1 to prevent him from scoring results in a stalemate situation when neither wrestler is able to improve his position.

6. **Situation:** From a neutral position, A1 attempts the double leg but is successful in grasping only one leg of B1 and locks his hands. B1 counters by applying a crossface and is able to move around so he is hip-to-hip with A1 and has him off his base and picks up the far ankle.

Ruling: B1 has earned a takedown and shall be awarded 2 points. This is true, even though A1 maintains hands locked high around one leg of B1.

7. **Situation:** From a starting position on the mat, B1 attempts a single switch. In order to counter this move, A1 locks his hands around the leg of B1. Neither wrestler can improve his position.

Ruling: A stalemate shall be declared as soon as it is obvious B1 cannot complete his move because A1 has locked his hands around the leg. If this act is repeated by A1, he will be warned or penalized for stalling.

Comment: It is a stalemate when either competitor has his hands locked around one leg of his opponent in order to prevent him from scoring. The revision is an expansion of the provision previously contained in the rule which specified locking the hands around one leg of an opponent to prevent an escape was a stalemate. When it is apparent the wrestler locking his hands around one leg of an opponent has prevented his opponent from scoring, a stalemate shall be declared, and the match restarted as following an out-of-bounds. The referee will allow only minimal time to see whether wrestlers can improve their positions. If they cannot, a stalemate will be declared or the offender penalized for stalling.

8. **Situation:** A1 has his opponent in a pinning situation near the edge of the mat. As A1 turns the torso of B1 away from the boundary, B1 moves so the lower part of his body is outside the wrestling area. The supporting parts of A1 remain in-bounds as do the shoulders of B1.

Ruling: Wrestling shall continue as long as the shoulders of B1 are within the inbounds area. Near-fall points may be earned in this situation.

9. **Situation:** A1 is successful in getting a grapevine on the leg of B1 and grasping the arm on the same side, thereby, turning the shoulders of B1 toward the mat. Wrestling is near the edge of the mat and in an attempt to avoid the fall B1 bridges so that his head touches outside the boundary line and the rest of his body is within the wrestling area. The shoulders of B1 are within one inch of the mat for several seconds.

Ruling: Wrestling will continue even though the head of B1 is touching out-of-bounds. Because the shoulders of B1 are over the wrestling area, A1 may earn points for a near-fall.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on January 24, 1974. The meeting was called to order at 9:30 A.M., by President W. P. Wheeler. Present were Board members Louie Martin, Jack, Fultz, Arthur Hawkins, Eldon Davidson, Fairce O. Woods, Frank Simpson, Cecil Reid, Ray Story; Commissioner J. B. Mansfield; Assistant Commissioners Tom Mills, Louis Stout and Billy Wise. Mr. Conley Manning was present representing the State Department of Education. The invocation was given by Arthur Hawkins.

Jack Fultz moved, seconded by Fairce O. Woods, that the reading of the minutes of the previous meeting be waived since members of the Board had received copies of these minutes. The motion carried unanimously.

Upon the request of Principal James C. Coomer, Barren County High School, Commissioner J. B. Mansfield presented the eligibility case of Chris Bastien, a student who is ineligible under By-Law 6, Section 1, Transfer Rule. Mr. Coomer was present, accompanied by Mr. and Mrs. Bastien, to answer questions concerning the circumstances under which Chris transferred to Barren County High School. Following their presentation and questions from the Board, Mr. Coomer thanked the Board for considering the case and he and Mr. and Mrs. Bastien left the meeting. Fairce O. Woods moved that By-Law 6, Section 1, be waived and that Chris Bastien be declared eligible to participate in athletics at Barren High School. Louie Martin seconded the motion and it passed unanimously.

Prin. James Sears, Somerset High School, and Coach Ron Cain came before the Board requesting that they reconsider the probation which was levied against Somerset High School. This evolved out of an incident which happened in Danville on November 1, 1974. Mr. Sears explained the incident in question and presented letters from school officials and fans from both Danville and Somerset. He stated that he realized that the action on members of the Somerset team was wrong and that some type punishment was in order, but at the same time, he felt that equal punishment should be levied against Danville High School for the action of their team members in the situation. Coach Cain then presented his version of the incident. Following several questions from members of the Board, President Wheeler thanked Mr. Sears and Coach Cain for coming before the Board and assured them that their request would be considered.

Representatives from Danville High School, consisting of Prin. Don Turner, Ath. Dir. Tom Creamer and Coach Pat Dale came before the Board to explain their version of the incident which took place prior to their football game with Somerset High School on November 1, 1974. Following several questions by members of the Board, Mr. Wheeler thanked the group for coming and they departed.

Louie Martin made the motion that the Board go on record as supporting the Commissioner in his decision to place Somerset High School on probation and that no action be taken against Danville High School. Jack Fultz seconded the motion and it passed unanimously.

Assistant Commissioner Tom Mills reported that the ticket sales for the 1975 Boys' State Basketball Tournament are running slightly ahead of the January sales of 1974. He also reported that arrangements have been completed for the first Girls' State Basketball Tournament to be held on the campus of Eastern Kentucky University from March 26 through the 29.

Assistant Commissioner Louis Stout reported that he had received the results of the baseball proposal which had been presented to member schools. He stated that he received 278 votes in favor of the proposal and only 8 against. The proposal states the number of regions be increased to 16 and that both the winner and runner-up in the district will advance to the regional. The winner of each regional will advance to the State Tournament. The first round of the state will be played at four sites with Regions 1 through 4 in the first, 5 through 8 in the second, etc. The four winners will meet in a blind draw tournament for the State Championship. Since plans have been completed for the 1974-75 season, Mr. Stout recommended that the proposal be adopted for the 1975-76 season. Ray Story made the motion that the recommendation of Mr. Stout be adopted. Louie Martin seconded the motion and all members voted aye.

Commissioner Mansfield reported to the Board that certain changes must be made in the football playoff rules and regulations since they had voted to change to the four class system. The changes were presented to the Board and upon a motion by Jack Fultz, a second by Frank Simpson, and an aye voted of all members, were adopted. (The changes appear elsewhere in this issue.)

In addition to the changes in the playoff method, the Board voted to adopt the following: a. The tie breaking rule for all season and playoff games as recommended in the National Federation Football Rules Book; b. The visiting team shall have their choice of end of field for pre-game warm-ups in all football contests; c. The jurisdiction of the game officials shall begin one hour prior to game time and end with the completion of the game.

Mr. Mansfield presented to the Board a proposed referendum which was submitted by the principals of the Big Eight Conference schools, pertaining to recommended changes in K.H.S.A.A. By-Law 27. They requested that the Board of Control authorize the Commissioner to submit these revisions to referendum ballot to all principals of member schools in accordance with Constitution Article IX, Section 3. Following a discussion of each item, Louie Martin moved, seconded by Frank Simpson, that the Commissioner submit the above mentioned referendum ballot to principals

Drawing for Boy's and Girl's State
Basketball Tournaments to be on
Educational Television**

The drawing for the 1975 Boy's and Girl's State Basketball Tournaments will be held on February 21, 1975 at 3:00 P.M.

Kentucky Educational Television will carry the drawing live with Dr. Lyman Ginger, Superintendent of Public Instruction drawing for the Boy's Tournament and Mrs. Judy Morris, President of the Girls' Sports Association doing the honor for the Girl's Tournament.

Commissioner J. B. Mansfield will serve as host for the drawing and will make many interesting comments on the highlights of past tournaments and give some insight on what may be expected this year.

Please make this information available to your community.

Kentucky Girls'**Sports Association Information**

The Kentucky Girls' Sports Association was organized as a result of a meeting held at the Kentucky Association of Health, Physical Education and Recreation Convention in Louisville, November, 1974.

The purpose of this organization is to promote the welfare and the educational advancement of the high school coaches of Kentucky; to raise and administrate a fund for the benefit of the Kentucky Girls' Sports Association.

The membership is open to any individual interested in and dedicated to the promotion of high school girls' sports in Kentucky. The dues are \$3.00 per person.

Plans by the KGSA for the immediate future are:

1. The first annual meeting of the association is scheduled for Saturday, March 29, 1975, 3:00 P.M. at the Eastern Kentucky University Alumni Coliseum, Richmond, Kentucky.

2. An information and Hospitality Booth will be maintained by KGSA during each session of the Girls' State Basketball Tournament.

3. A clinic including many of the sports sanctioned by the K.H.S.A.A. for Kentucky high school girls' coaches will be conducted in Lexington in June.

4. An All-Star Basketball Game will be played as the culminating event of the clinic.

Please send your dues to: KGSA, P. O. Box 467, Ashland, Kentucky 41101.

The Officers are: President — Mrs. Judy Morris, Paul Blazer High School, Ashland, Kentucky 41101; Vice President — Mrs. Gloria Compton, Bryan Station High School, Lexington, Kentucky 40505; Secretary — Miss Ann Karrick, Mt. Sterling High School, Mt. Sterling, Kentucky 40353.

RULES AND REGULATIONS**Governing Football Championships of the
Kentucky High School Athletic Association
(Adopted by the Board of Control)****I. Classification**

Sec. A. The Board of Control has divided the schools into four classes as follows:

1. Class AAAA shall consist of the schools in Jefferson County, except Kentucky Country Day and Beth Haven, and all other member schools with an enrollment of 1000 or more in grades 10-12.

2. Class AAA includes the schools with enrollments of 600 to 1000 in grades 10-12.

3. Class AA includes the schools with enrollments of 400 to 600 in grades 10-12.

4. Class A includes schools with enrollments of less than 400 in grades 10-12.

Sec. B. The basis for determining the schools of Classes A, AA and AAA will be the total enrollment in grades 10-12 of a co-educational school. The Board may make an upward enrollment adjustment for a school with less than a full high school course, and for schools enrolling boys only.

Sec. C. Classification is for a period of two years. Classification for 1975 and 1976 is based on the 1973-74 enrollment. A school on application of the principal to the Commissioner, may be permitted to move from a lower into a higher classification. Any school placed in a higher classification must remain in this classification until all schools are re-classified.

II. District, Regional and Division Championships

Sec. A. Composition of Classes shall be as follows:

1. Class AAAA will be divided into two divisions. The division winner's will play for the state championship.

2. Class AAA, AA and A will consist of four regions each with two districts.

Sec. B. Required number of district games shall be as follows:

1. To be eligible for a district championship teams may qualify by playing game(s) within the district as follows:

(a) One another if there are only two teams

(b) Two games if there are 3 or 4 teams

(c) Three games if there are 5 through 7 teams

(d) Four games if there are 8 or more teams

2. Schools shall make every effort to schedule games with the teams in their district. However, the Board of Control through the Commissioner may require teams to play or be ineligible for the championship.

3. If in the opinion of the Board it is not possible for a school to schedule the required number of games then out-of-district game(s) may be drawn (or selected) in the following order:

(a) School(s) in the same Class and Region

(b) School(s) in the same Class

(c) School(s) in a higher Class

Sec. C. The championship of a district will be determined by the Dickinson Rating System, as adopted by the Board of Control. If two teams tie for the championship, there will be a play-off game on a date set by the Board of Control. If more than two teams tie, the two teams which will play to break the tie will be determined by the following plan: Each team will receive one point for each game won by a defeated opponent and one-half point for each game tied by a de-

feated opponent. If a tie results after a team's highest points for any four games have been counted, an additional game will be counted until the tie is broken. Only games played with Kentucky teams shall be counted. If a tie results, it shall be broken by the Board of Control.

Sec. D. If two teams play each other more than once during a season, they must designate prior to the season which game will count in the standings.

III. Playoffs

Sec. A. In Class AAAA the winners of District 1 and District 2 will play and the winners of District 3 and District 4 will play on the third weekend prior to Thanksgiving. The following weekend the winners will play for the regional championship. The regional winners will play the following weekend for the division championship. The division winners will play the following week for the state championship.

Sec. B. In Classes A, AA and AAA the district winners will play on Friday or Saturday two weeks prior to Thanksgiving. The following weekend the winners of Region 1 and Region 2 will play, and the winners of Region 3 and 4 will play. Winners of these games (semi-finals) will play for the championship of each class the following week.

Sec. C. If the score is tied at the end of any game it will be broken in the same manner as all season games. (This method is the one recommended in the National Federation Football Rules Book.)

Sec. D. In all classes, the site, date and starting time will be determined by the winners of the odd numbered districts and regions in the odd numbered years unless one of the regional winners did not host a first round game. If one of the regional winners did not host a first round game, they would have the option to name the site, date and starting time. In even numbered years the process will be reversed.

IV. Finances

Sec. A. The proceeds of the games, except the finals, will be used to defray the expenses of the visiting team, officials, trophies for the district and regional winners, and other necessary expenses.

The team transportation allowance shall be 50¢ per mile round trip. If no agreement can be reached on lodging and meals expenses, actual expenses for these items, not to exceed the following maximum, shall be allowed: seven meals for 38 persons at \$1.50 per meal, and two nights lodging for 38 persons at \$3.00 each. Net profit or loss shall be shared by the competing schools.

Sec. B. A representative of the host school, designated by the principal, will manage the game. The principals or their representatives shall agree on all matters pertaining to the game; such as admission charges, expenses, and allocation of reserve seat tickets. Disagreement on any of these items shall be referred to the Commissioner, and his decision shall be final.

Sec. C. The proceeds of the final games in each class shall accrue to the K.H.S.A.A. after the necessary expenses have been paid. Actual expenses, not to exceed those given above, shall be paid. A team not requiring transportation, meals, or lodging shall receive a minimum of \$100.00 for miscellaneous expenses. Each team shall receive an amount in addition to the expenses already assumed. This amount will be set by the Board of Control each year.

Annual Meeting

Kentucky High School Coaches Association

April 18, 1974

President Irv Spencer called the meeting to order at 10 A.M. at the Kentucky Fairgrounds with 85 members in attendance.

Dave Cottrell gave the invocation.

Coaches Dan Haley of Paducah Tilghman and Robert Barlow of Lexington Bryan Station were recognized as the "Coaches of The Year" in football and basketball and each was presented a regulation trophy by President Spencer and Bowman Davenport. Prior to the recognition of Haley and Barlow, Spencer presented to the group the Coach of the State Championship basketball team, Robert Graves of Louisville Central.

Billy B. Smith, Taylor County Athletic Director and Vice President of Kentucky High School Coaches Association presented Fred Overton, the new basketball Coach at Murray State University as the featured speaker. Overton stressed that the newest trend in athletics is the handling of people and to the attention of the coaches that "to improve yourself — you must be a positive thinker" and that "everyone has a right to express himself regardless of size".

In regular business session the dues were raised from (\$2) two dollars to (\$3) three dollars. Bowman Davenport (Grayson County) in speaking for the increase, cited that the increase might help overcome the loss financially incurred in the past three years at the All-Star games. Bob Miller, Campbell County, moved and Paul Young, St. Xavier, seconded the motion.

Bowman Davenport, retiring president was presented a plaque in honor of his leadership during 1973-1974 by President Spencer.

Bob Miller, Campbell County, was elected Sgt-at-Arms by acclamation.

Joe Ohr, Estill County, was nominated by Paul Young and seconded by Bob Miller to the position of Secretary-Treasurer. He was elected by acclamation.

As the minutes of the annual meeting of the previous year had been published in the Athlete it was moved that the reading of the minutes be dispensed. Motion by Paul Young, seconded by George Kok.

The financial report of the K.H.S.C.A. and the All-Star account was presented by Joe Ohr and the audit was accepted by the group.

A committee was to be appointed by the president to study the possibility of honoring the Coaches of Kentucky who have served for a period of twenty-five years. This recognition to be in the form of a certificate or plaque. It was also discussed to recognize the Coaches of State Championship teams in all sports and the All-Regional coaches in football and basketball.

Meeting adjourned at 11:10 A.M.

of member schools. The motion carried unanimously.

Mr. Mansfield stated that he had correspondence from several schools requesting that the Board sponsor State playoffs for girls in volleyball and cross country. Following a lengthy discussion, it was agreed that the Board would sponsor cross country beginning with the 1975-76 school year and volleyball in a future year after more study has been given the possible time and cost involved.

Jack Fultz moved, seconded by Fairce Woods, that all bills of the Association for the period beginning December 1, 1974, and ending December 31, 1974, be allowed. The motion was carried unanimously.

The next meeting date for the Board was scheduled for Friday, March 21, 1975, at 9:00 A.M.,

at Stouffers' Inn in Louisville.

There being no further business, the meeting was adjourned.

Wrestling Early Season Questions

(Continued from Page Three)

boundary line; or (c) shoulders of B1 are on the mat out-of-bounds and A1 is chest-to-chest with his toes in bounds.

Ruling: Wrestling will continue in (a) and (b) so long as there is a possibility of A1 pulling his opponent back away from the boundary lines. In (a) no near-fall points may be earned while the shoulders of B1 are in the described position because one of the shoulders is over the boundary line and out-of-bounds. In (b) it cannot be a fall nor may near-fall points be earned because part of the scapulae area is over the boundary lines. In (c) the supporting points of both wrestlers are out-of-bounds. Supporting parts of B1 are his head and shoulders. When A1 is chest-to-chest with him, this becomes a supporting part for A1. In this situation, an out-of-bounds will be declared.

Comment: When the defensive wrestler is on his back and the supporting points of either wrestler inbounds but a near-fall has not been earned, wrestling will continue as long as there is a possibility of the offensive wrestler bringing his opponent back into the inbounds area. If there were little or no change of the offensive wrestler accomplishing this, and after a reasonable length of time has transpired, wrestling will be stopped and resumed from the starting position at the center of the mat. The foregoing three situations are intended to illustrate it is not possible for a wrestler to score while his opponent's shoulders are over the out-of-bounds area or touching out-of-bounds. While it is unnecessary to stop the match when a defensive man's head or shoulders are out-of-bounds, there can be no near-fall or fall awarded.

11. **Situation:** Wrestler A1 applies a false cradle so one of his arms is under the shoulder blade of B1. A1 tips B1 so one of the shoulders of B1 is touching the mat and the other is near the mat.

Ruling: A1 may be awarded points for a near-fall even though it is not possible for him to pin B1 with this false cradle. Because one of the shoulders of B1 is in contact with the mat and the

other in an angle of less than 45° to the mat, regardless of the fact one of the arms of A1 is under that shoulder, A1 may gain near-fall points. Criteria for a near-fall have been met.

12. **Situation:** In assuming the starting position on the mat, the defensive wrestler B1 places his hands in front of the forward starting line and his knees behind but in contact with the rear starting line and; (a) his lower legs are parallel and in line with the long axis of his body; or (b) his feet are touching behind him so his lower legs are at an angle from the point of contact to the knees on the mat. A1 in assuming his position to the left side of B1 in (a) places his left knee on the mat to the outside of the near lower leg of B1 and his right foot on the mat to the rear of the feet of B1. In (b) A1 on the left side of B1 places his left hand on the left elbow of B1, his left foot on the mat beside the lower leg of B1 and his right knee on the mat behind the feet of B1.

Ruling: The position of A1 in (a) is a legal starting position on the mat. In (b) the position of A1 is illegal because he does not have a knee on the mat at the near side of B1.

13. **Situation:** In the starting position on the mat, B1 assumes his position with his knees on the mat, approximately shoulder width apart, his feet together behind him so his lower legs are at an angle to the plane of his sides. When he is stationary, the referee motions for A1 to take his position.

Ruling: Once the defensive wrestler is stationary on the mat in his starting position the referee shall indicate to the offensive wrestler he is to assume his starting position. He will do so without delay.

14. **Situation:** Following an out-of-bounds, the wrestlers return to the center of the mat to assume their starting positions. B1 is on all fours, his hands are in front of the starting line and his knees in contact with the rear starting line. A1 is to the left of B1, and B1 has tucked his lower left leg toward his right leg. When the referee signals, A1 moves to the right side of B1 to take his starting position. When A1 moves to the opposite side, B1 adjusts his position so his right leg is tucked under the left leg.

Ruling: The referee will caution B1 if he has not previously done so by forming a "C" with the fingers and thumb of his right hand and pointing to B1 with his other hand. If B1 has previously been cautioned, his action in adjusting his position constitutes a false start and shall be penalized.

15. **Situation:** In assuming the starting position on the mat: (a) B1 changes his position just as A1 is taking his offensive position; or (b) A1 continues to adjust equipment after the referee indicates he should assume his final starting position.

Ruling: In (a) and (b) following a verbal caution, the wrestler using delaying maneuvers will be penalized for delay of the match. This is a technical violation which is not preceded by a caution.

1975 BASEBALL EARLY SEASON QUESTIONS

INSTALLMENT I

EDITOR'S NOTE: These interpretations of the rules of the National Federation Baseball Committee do not set aside nor modify any rule. The rulings are approved and apply to the situations for which they are given.

CLIFFORD B. FAGAN,
Editor, National Federation Publications

1. **Play:** R1, who is on 1st base, steals 2nd base during the pitch. While enroute towards 2nd, his head protector falls to the ground.

Ruling: In such situations, the umpire must decide whether the losing the head protector was done intentionally. If it was not intentional, then there is no penalty. On the other hand, if the umpire witnesses R1 deliberately remove his head protector while advancing, it is the duty of the umpire to declare R1 out after the play has been completed.

2. **Play:** B1 has two strikes. The next pitch touches the ground in front of home base and bounces through the strike zone. B1 swings at the pitch and F2 secures the ball in his mitt. F2, believing that he has caught the ball, throws the ball to F5 at 3rd base to start the ball around the infield believing that B1 has struck out. B1 during this latter action advances to 1st base while F5 throws the ball to F6 who returns the ball to F4.

Ruling: B1 is not out. When the pitch struck the ground in front of home base, it no longer was possible to catch it. The definition of a catch provides that the ball must be caught in flight.

3. **Play:** B1 hits a line drive which is inside the foul line when it passes over the fence on the front of the stand, but which is blown by the wind or which curves so it strikes the back of the stand which is outside the foul line extended.

Ruling: This is a fair ball.

4. **Play:** Do appeal plays include the following: Batting out of order; intentionally dropping a fair fly or fair line drive; running too far out of the base line to avoid being tagged; interfering with a batted ball; obstructing a runner; or interfering with a batted ball with detached player equipment?

Ruling: No. In these cases, the umpire calls the infraction even though no opponent calls it to his attention.

5. **Play:** F3 reaches for a low throw and traps the ball on the ground before the runner touches first base. Is the runner out?

Ruling: He is out if the umpire rules that the ball was in the grasp of the gloved or bare hand, even though it was touching the ground. In close plays, the runner is usually given the benefit if there is any doubt as to whether the ball was actually gripped in time.

6. **Play:** The catcher has the ball in his glove when he (a) tags the runner with the glove; or (b) he tags the runner with the hand which does

not have the ball in it. Neither time does the ball come in contact with the runner.

Ruling: Touching with the glove or the hand which holds the ball is the same as touching the runner with the ball. In (a), the runner is out. In (b), the runner is not out.

7. **Play:** B1 has a count of 1 ball and 2 strikes when the team captain or coach decides to put in a pinch hitter, S1.

Ruling: A coach should ask the umpire to call time for substitution. When S1 enters, he is charged with 1 ball and 2 strikes. If S1 strikes out, the strike-out is charged against B1 because he had more than half of the allotted number of strikes. In any other case, the time at bat is charged to S1.

8. **Play:** F3 throws his cap or his glove against a batted ball. It is: (a) a fair ball which has struck 1st base and is rolling over foul ground when struck; or (b) on or over foul ground but such that it might have become fair if there had been no interference; or (c) clearly a foul ball.

Ruling: In (a) and (b), 3 bases are awarded to each runner including the batter-runner. In (c), there is no penalty.

9. **Play:** With R1 on 1st base, B2 bunts to F3 who fields the ball on the first bounce near the foul line. B2 stops and reverses to run toward home base in order to avoid being tagged out by F3, who then throws to F6 for a force-out on R1 and the relay throw fails to retire B2 at 1st base.

Ruling: As long as B2 did not touch or run beyond home base nor leave the base path to avoid being tagged, his action is entirely legal.

10. **Play:** To establish a running start after a fly or line drive has been touched, R1 stands more than 3 feet behind 2nd base.

Ruling: R1 is out for being out of the base path to gain an advantage. The umpire should declare him out immediately, the same as for a runner who leaves the base path to avoid being tagged out. This is not an appeal play situation.

11. **Play:** R1, R2 and R3 are on 3rd, 2nd and 1st bases, respectively, with none out. B4 attempts to bunt. All runners break with the pitch. B4 pops the ball into the air near the 1st base foul line and tackles or runs into F3 to prevent the execution of a double play.

Ruling: The ball becomes immediately dead. The umpire shall declare both B4 and R1 out. R2 and R3 must return to 2nd and 1st bases, respectively.

12. **Play:** R1 is on 2nd and R2 on 1st with two out and B5 is at bat with: (a) a count of ball three and strike one; or (b) with a no ball, no strike count when the coach of the defensive team decides that he desires to have the batter given an intentional base on balls. How should this be administered?

Ruling: The rule provides either the coach of the defensive team or the catcher shall notify the umpire-in-chief that the defensive team desires to give the batter an intentional base on balls. At this time the umpire-in-chief shall signal and de-

KAPOS NEWS STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Freedom Hall to:

1. Register your squad
2. Pick up important information and materials for your and your school

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room, located in Freedom Hall. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet Sixteen" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with

your sponsor's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

State Tournament Cheerleading Champions: Important! Please be sure that your school is a paid up member of KAPOS in order for your squad to compete for the top cheerleading award in the State Tournament. The winner of this award will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the KHSAA to the winners of the sixteen regions.

STATE-AT-LARGE CHAMPIONS

Beginning at the District Tournament games, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-at-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winning squad from each region is allowed to compete for the title of State-at-Large Cheerleading Champions.

Judging for the State-at-Large winners will take place at 8:30 A.M. on Friday, in the Atherton High School Gymnasium, 3000 Dundee Road, Louisville. The public is invited to this outstanding event. The admission charge of \$1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are supplied below. We are grateful to the administrators of Atherton for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be remindful that they are guests in the "home" of Atherton High School.

At the conclusion of the judging at Atherton, the top four squads will be announced; however, the order of finish will not be announced until the trophy presentation as indicated in the following section.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

State Tournament: The winning and runner-up cheerleading squads will receive trophies, with the third and fourth place squads being awarded plaques. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so that they can easily come to the floor should they be called for an award.

State-at-Large: Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Ted Sanford trophy, while the runner-up will be awarded the Jane Meyer trophy. Plaques will be given to the third and fourth place squads. The four finalists of the State-at-Large Judging (held Friday morning) are asked to report in uniform, with their sponsors, at the north end of the arena five minutes prior to the conclusion of the first game on Friday night.

It is indeed possible for one squad to be both State Tournament and State-at-Large Champions.

GOVERNOR CARROLL DECLARES GOOD SPORTSMANSHIP WEEK

While every week should be Good Sportsman Week, KAPOs has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOs Sportsmanship Creed proclaimed by Governor Carroll. The Governor's proclamation is on display at the KAPOs table.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOs board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOs is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOs is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOs officer for application forms, or pick them up at the State Tournament KAPOs table.

SUMMER CHEERLEADER CLINICS

Clinic I: July 6-10 Clinic II: July 13-17

Each year cheerleader clinics are held on the University of Kentucky campus, with classes geared to all interest and ability levels. Brochures giving details of the clinics can be obtained at the State Tournament KAPOs table or by contacting Mrs. Milly Rodes at Transylvania University, Lexington.

1975 BASEBALL

EARLY SEASON QUESTIONS

(Continued from Page One)

clare time. He will then advise the batter to advance to 1st base. In this situation, R1, who is on 2nd, and R2, who is on 1st, are forced to advance to 3rd and 2nd bases, respectively. When each base runner has reached his proper base and the pitcher gets on the pitcher's plate with the ball in his possession, the umpire-in-chief will call out "play ball" and beckon the pitcher to pitch. The batter must enter the batter's box before the defensive team can make its request to the umpire and also the umpire must declare time before ordering the batter to go to 1st base. By following this procedure of the umpire declaring time when the request is made, there are no points of confusion for either team.

13. Play: With 2 out and R1 on 3rd and a count of ball two, strike two, F1 delivers a pitch. B4 strikes at and misses the pitch and the ball hits F2 on the shinguard and bounces into the air. F2 grabs the ball while it is still in flight.

Ruling: B4 is declared out since F2 legally caught the 3rd strike. Had the ball hit the bat of B4 and then struck the shinguard of F2, who subsequently grasped the ball in flight, the play would have been ruled an uncaught foul ball.

14. Play: With R1 on 1st, B2 hits a line drive which glances off the mitt of F3 and strikes the head protector of R1 advancing to 2nd base. The batted ball is then caught by F4 before touching the ground. Is the batter declared out?

Ruling: No. The ball remains alive since this is not ruled a catch by F4 although he did get the possession of the ball before it touched the ground, however, as soon as the ball contacted the umpire or R1, its status changed to that of a ground ball. Had not the ball made contact with the base umpire or R1 but ricocheted in flight off the mitt of F3 and then went directly to the glove of F4 who caught the ball, B2 would be out.

15. Play: If F1 is touching the pitcher's plate when his overthrow becomes dead, does this always result in the awarding of one base instead of two bases to each base runner?

Ruling: Yes, provided F1 is touching his plate in a normal pitching situation. If F1 has fielded a batted ball or has fielded a throw and is in contact with his plate when he overthrows a base, he then is an infielder by rule and not delivering a pitch from the pitcher's plate. In such cases, each runner is awarded 2 bases from where he was when the thrown ball left the hand of F1.

16. Play: B1 hits a ground ball towards 1st base. The ball is touched by B1 in his advance to 1st. The touching is (a) intentional; or (b) accidental while the ball is over fair ground; or (c) accidental while the ball is over foul ground before the ball has reached 1st base; or (d) accidental and over foul ground but after ball has become fair by striking 1st base.

Ruling: In (a), it is ruled interference unless the ball is over foul ground with no chance of becoming caught or becoming a fair ball. In (b), it is interference. In (c) and (d), it is not ruled interference because the ball is on or over foul ground and the action was accidental.

17. Play: With R1 on 1st base, F1 commits a balk but the pitch is delivered and hits B2.

Ruling: Because R1 is on 1st, the balk is ignored. The advance of B2 to 1st results in an advance by R1. Had R1 been on another base, the penalty for the balk would have been enforced because the ball became retroactively dead at the time of the balk, the hitting of the batter with the pitch is ignored.

18. Play: B2 hits a fly ball which comes down near a field enclosure with both F9 or F2 attempting a catch. A spectator touches the ball in flight while it is: (a) in front of the wall; or (b) over the stands.

Ruling: Any batted ball touched in flight by a spectator becomes dead immediately. If the umpire feels the ball could have been caught by a fielder, and it was not over the stand, he shall declare the batter out when the spectator interference occurs and order all runners to return to the bases they legally occupied at the time of the pitch. Should a spectator prevent a fair ball from going over the fence in flight, the batter and all base runners are awarded home base. Should a foul ball be touched in flight over the stands, the ball becomes dead immediately and no catch can be allowed.

19. Play: With two out, S1 replaces batter, B6. Before S1 finishes his term at bat, a runner is out to end the inning. Since S1 is not charged with the time at bat, may B6 now return to the field instead of S1?

Ruling: Yes, provided B6 was a starting player who had not previously re-entered the contest. S1 becomes a player as soon as he was announced by the umpire.

20. Play: R2 is on 2nd and R1 on 1st when B3 hits fair ball to F7 who fields the ball on the first bounce. R1 advances to 3rd and continues toward home. F7 throws ball to F2 who fields the ball cleanly and has ball waiting on base path to tag out R1 when latter attempts to score. R1 seeing he has no chance to get past F2 stands up and deliberately barrels into F2 hoping to dislodge the ball from his grasp.

Ruling and Comment: There have been cases reported in which F2 has the ball, standing on the base line, and waiting for the runner who is some distance away. Upon seeing he has no chance of reaching the base safely, the runner remains on his feet and crashes forcefully and deliberately into the catcher or any other fielder, rather than sliding in an attempt to avoid being tagged out thus hoping to jar the defensive player so hard that he will drop the ball. Very severe injury can and has resulted from such unnecessary unsportsmanlike tactics. An experienced umpire can readily recognize such action when it occurs and should declare the runner out for his unsportsmanlike action. If such action by the base runner is interpreted by the umpire as being a flagrant act, the violator can and should be disqualified from the game as well.

21. Play: It is announced that substitute Smith will pinch-hit for starting catcher Brown who is in 6th place in the batting order and has played the entire game. When may Brown reenter the contest?

Ruling: Immediately and he must return to 6th place in the batting order when he does.

DUDLEY

SOFTBALLS

Pitchers, hitters, coaches and officials all agree
Dudley softballs are the best!

They're livelier, tougher, more durable
and they save money. Pitchers like Dudley
for uniform weight and seam stitching; hitters
for great distance potential. And officials and
everyone else like Dudley softballs because
they're guaranteed for six games.

Dudley softballs are consistent. Game after
game, ball after ball, the next Dudley softball is like
the last, like the one before that and the one before
that.

After they've taken tremendous punishment and
the leagues are through with them, Dudley softballs
can still be passed along for plenty of good playground
use. That's how well they're made. Compare Dudley
with any other name softballs and see for yourself.
You'll learn you can depend on Dudley.

1975 Annual Meeting

The business meeting of the K.H.S.A.A. will be held on Thursday, April 17, at 2:00 P.M., in the Roof Garden, Brown Education Building, Louisville.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following changes in the Constitution and By-Laws will be acted upon by the Delegate Assembly.

Proposal I

Prin. J. O. Dingus, Allen Central High School, proposes that Constitution Article IV, Section 2, Item a, be amended to read: "They shall be a full time certified employee of a Board of Education in the region they are to represent and must remain in a similar capacity in that region during their tenure of office."

Proposal II

The Board of Control proposes that: A student who has represented a member school as a first team player in football or basketball shall not compete in an all-star or post-season game. The penalty for violation shall be loss of eligibility in all sports for the remainder of the school year.

A student who has been a first team player in football or basketball and has eligibility remaining in these sports shall not take part in an all-star or post-season game at any time. The penalty is loss of eligibility for one year.

The principals of the Big Eight Conference Schools namely: Frank List, Apollo; W. P. Wheeler, Daviess County; Howard Crittenden, Henderson County; William Womack, Henderson; Floyd Brown, Madisonville-North Hopkins; Shelby Forsythe, Ohio County; Bill VanWinkle, Owensboro; Fr. Calhoun, Owensboro Catholic; Richard Vincent, Union County; presents the proposals that By-Law 27, Limitations of Seasons, be changed to read as follows:

Proposal III

The football season begins four weeks prior to the opening day of school and ends with finals of the state playoffs.

Practice, contests or clinics for football shall be held only between the dates set for football and no other organized practice, contests or clinics shall be permitted.

Proposal IV

The basketball season for non-football schools (girls and boys) begins on October 1 and ends with the final game of the state tournaments.

The basketball season for football schools (girls and boys) begins on October 15 and ends with the final game of the state tournaments.

Practice, contests or clinics for basketball shall be held only between the dates set for basketball and no other organized practice, contests or clinics shall be permitted.

Proposal V

The wrestling season begins on October 15 and ends with the finals of the state tournament.

Practice, contests or clinics for wrestling shall be held only between the dates set for wrestling and no other organized practice, contests or clinics shall be permitted. This does not apply to athletes entering contests as unattached individuals.

Proposal VI

The baseball, golf, tennis and track seasons begin on March 1 and end with the state championship meets or tournaments. Teams wishing to compete in the Mason-Dixon Track Meet may begin practice one month prior to the games and conclude with the games.

Practice, contests or clinics for spring sports shall be held only between the dates set for spring sports and no other organized practice, contests or clinics shall be permitted. This does not apply to athletes entering contests as unattached individuals.

Proposal VII

The soccer season begins four weeks prior to the opening day of school and ends with the state tournament.

Practice, contests or clinics for soccer shall be held only between the dates set for soccer and no other organized practice, contests or clinics shall be permitted. This does not apply to athletes entering contests as individuals.

Proposal VIII

The gymnastics, rifle, fencing and swimming seasons shall begin with the opening day of school and end with finals of the state championship.

Practice, contests or clinics for other sports shall be held only between the dates set for the other sports and no other organized practice, contests or clinics shall be permitted. This does not apply to athletes who enter contests as unattached individuals.

Proposal IX

Change the first sentence of By-Law 27, Section 5, to read: "Prior to the first game a football or soccer team may have" instead of "Prior to the football season a football team may have"

Proposal X

Any individual and/or school violating Proposals III through VIII shall be suspended from the K.H.S.A.A. for a period of one year in the sport in which the violation took place.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Friday, March 21, 1975. The meeting was called to order by President W. P. Wheeler at 9:00 A.M. with all Board members, Commissioner J. B. Mansfield, Assistant Commissioners Tom Mills and Louis Stout present. Mr. Conley Manning was present representing the State Department of Education. The invocation was given by Frank Simpson.

Arthur Hawkins moved, seconded by Louie Martin, that the reading of the minutes of the previous meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner reported on the results of the recent balloting for Board membership for Sections 2 and 5. In Section 2 the votes were as follows: Denvil Barriger, Principal of Bowling Green High School, 22; Howard Gorrell, Principal of Auburn High School, 19. In Section 5, Gene Sell, Principal of Newport High School, 26; Rev. Edwin Heile, Principal of Covington Latin High School, 14.

Commissioner Mansfield reported that the recent referendums presented to member schools at the request of the principals of the Big Eight Conference Schools failed to receive the necessary two-thirds votes to be adopted. A total of 128 yes votes and 111 no votes were cast.

Proposal number two in this referendum which was submitted by the Board of Control, proposing that the second sentence of Article V in the Constitution be changed to read "The secretary of the Kentucky High School Coaches Association and the president of the Kentucky Girls' Sports Association shall be members of the Delegate Assembly" received the necessary two-thirds vote and was adopted. The vote was 195 for and 44 opposed to adopting the proposal.

There was a discussion of new proposals to be submitted by the Board and member schools at the forthcoming 1975 Delegate Assembly. A list of these proposals appear elsewhere in this issue of the *ATHLETE*, and copies have been sent to all member schools. George Sauer moved, seconded by Ray Story, that these proposals be submitted to the Delegate Assembly. The motion was carried unanimously.

Mr. Mansfield read a letter from Prin. Albert Wall of Frankfort High School requesting that Frankfort be moved from basketball District 41, Region 11, to District 30, Region 8. Following considerable discussion, Jack Fultz moved that the request be denied. Frank Simpson seconded the motion and all members voted aye.

Mr. Mansfield presented letters to the Board from Mr. Mike Elkins, Athletic Director at Berea Community High School, and Mr. and Mrs. Robert Spurlock, requesting that the Board declare Ricky Spurlock eligible to participate in athletics at Berea Community High School. Ricky is ineligible under By-Law 6, Section 1, Transfer Rule. Following a discussion of the case, Louie Martin made the motion that Commissioner Mansfield investigate the case further and report his findings to the Board at the next meeting. Arthur Hawkins seconded the motion and all members voted aye.

Mr. Al Arbogast, of the Kingden Insurance Company came before the Board to present a catastrophe insurance plan for member schools. He explained that any student (male or female)

In Memoriam

Fred E. Reece

Fred E. "Rock" Reece died on March 5, 1975, at the Veterans Hospital in Lexington, a victim of cancer. "Rock," as he was known to his countless friends throughout the state, was a native of Lexington. He was a football and basketball player at Henry Clay High School and was a graduate of Transylvania College. "Rock" was a veteran of World War II.

"Rock" had made his home in Versailles and coached and taught at Lafayette and Versailles. From 1953 to 1960 he was basketball coach at Bourbon County High School. In 1954 his team reached the semi-finals of the State Tournament.

At the time of his death "Rock" was employed by the State Department of Education as a Facility Specialist in the Bureau of Rehabilitation Services.

"Rock" was one of the outstanding football officials in central Kentucky from 1953 to 1970. He was selected by the coaches and the K.H.S.A.A. to officiate in many state playoffs. For many years he gave valuable assistance toward the running of the state basketball tournament, swimming meets, track meets and baseball tournaments.

Mr. Reece is survived by his wife, Mary Jean, three daughters and two sons.

regularly enrolled in a member school of the Kentucky High School Athletic Association would be covered while engaged in, practicing for, or traveling to and from all activities under jurisdiction of the K.H.S.A.A. and the direct supervision of a school employee. This plan also includes all registered officials of the K.H.S.A.A. while officiating, or traveling to or from the game they are to officiate. Up to \$25,000.00 is payable, after a \$1,000.00, deductible, and after all other collectible insurance coverage is considered for eligible medical expenses incurred. Mr. Arbogast offered this plan to the Board for an annual premium rate of \$12,000.00 per year.

Following the presentation of Mr. Arbogast, a similar plan was offered by Doug Ruedlinger, Ins. of Topeka, Kansas. This plan offered the same coverage at an annual premium of \$10,500.00.

Following considerable discussion concerning claim service, rates and other features of the two programs, the Board agreed to accept the plan presented by Doug Ruedlinger, Inc. at an annual premium of \$10,500.00 to be paid by the Kentucky High School Athletic Association.

George Sauer notified the Board that the meeting of the 1975 Delegate Assembly would be held in the Roof Garden of the Brown Education Building in Louisville at 2:00 P.M. on April 17.

Jack Fultz moved, seconded by Fairce Woods, that all bills of the Association for the period beginning January 1, 1975, and ending February 28, 1975, be allowed. All members voted aye.

The next meeting for the Board is scheduled to be held in Louisville at 9:00 A.M., on Thursday, April 17, 1975.

There being no further business, the meeting adjourned.

Baseball Early Season Questions

(Continued from Page One)

covered, takes off for 2nd while B4 is holding the ball and talking to the pitcher. F6 belatedly comes over to cover the base and hollers to F4 to throw the ball which he does and B2 is tagged out sliding into 2nd or he reaches 2nd base safely. F6 now steps on 2nd to appeal the infraction of R1.

Ruling: R1 shall be declared out provided the umpire witnessed the base running infraction. Under the revised appeal rule, such base running infraction may be appealed up until the time of the first legal pitch following the infraction or if a half inning is ending, the infraction may be appealed up until the time the infielders leave the diamond (fair territory).

23. Play: With R1 on 3rd and R2 on 1st, the coacher at 3rd runs toward home base to distract the pitcher or the coacher at either 1st or 3rd base assists R1 or R2 by pushing or pulling the runner to his feet.

Ruling: The infraction causes the ball to become dead and the nearest runner is out. If the coacher merely helps a fallen runner when neither an advance nor a possible put out is involved, it is not to be ruled an infraction.

24. Play: With R1 on 3rd and R2 on 2nd with one out, B4 hits the ball on the ground toward F6. On the play, the infield is playing in for a possible play at home base. F6 takes a position to field the ball on a direct line between 2nd and 3rd base which caused R1 in his advance to 3rd to run behind F6 so as not to interfere with the fielder's opportunity to field the ball. Just as the ball is approaching F6, he steps backward to get into a better position to field the ball. The move causes a collision between F6 and R1 and the ball bounds to the outfield with R1 scoring from 3rd. R2 continues to 3rd and B3 reaches 2nd.

Ruling: Even though the fielding team has the right of way on playing a batted ball, it is apparent in this play that R1 attempted to avoid interference by going behind the short stop rather than in front of him. Because of his earnest effort, the runner is not charged with interference if F6 stepped into him. On such a play, the umpire must be fully alert as to whether R1 stuck out his arm or body causing the contact as he passed the fielder or whether the contact was caused by the fielder.

25. Play: B1 hits a fair ball out of the park for a home run. While advancing from 1st to 2nd base, he removes his head protector for just a moment and replaces it on his head. After completing his circuit of the bases the coach of the team in the field appeals to the umpire to call the runner out.

Ruling: B1 is not to be declared out as provided in 8-4-1-h and in the second paragraph of 1-1-5. Any runner who removes his helmet during a play, and subsequently scores during that same playing action, is not declared out.

26. Play: The starting pitcher leaves the game in the 2nd inning. Charged defensive team conferences are not a factor. The starting pitcher returns to the game in the 5th inning and proceeds to pitch.

Ruling: This is absolutely legal as provided for in Rules 3-1-3 and 3-1-2. Rule 3-1-2 provides that a substitute or a player who replaces a pitcher, whose team is not at bat, shall pitch to the first opponent to bat against him until that batter has advanced to 1st base, or has been put out or until there has been a 3rd out. When the starting pitcher was taken out of the game in the 2nd inning and did not return to pitch again until the 5th inning, such action definitely satisfied the provisions of 3-1-2.

Dear Principal:

For the past several years the Board of Control has provided catastrophe injury insurance for all high school athletes. The policy was extended to include all registered officials for the coming year. At the meeting on March 21, 1975, the Board accepted a plan to be underwritten by the Security Life and Accident Company for 1975-76.

Briefly stated, the K.H.S.A.A. catastrophe plan contains the following provisions:

1. \$1,000.00 deductible clause;
2. Up to \$25,000.00 in medical benefits per injury (after the deductible has been satisfied and after the benefits from all other insurance has been considered);
3. A student engaging in, practicing for, or traveling to or from, all activities under the jurisdiction of the K.H.S.A.A. and the direct supervision of a school employee;
4. All registered officials of the K.H.S.A.A., while officiating, or traveling to or from the game they are to officiate;
5. Coverage for medical expense incurred within two years following the date of injury;
6. The deductible is eliminated for injuries sustained during a state series of tournaments or meets.

Security Life was selected because of the competitive cost for the coverage, and their national reputation for administering athletic insurance programs. The claims service has been prompt and efficient. If you desire additional information we suggest you write our catastrophe insurance consultant, Mr. Doug Ruedlinger, P.O. Box 525, Lexington, Kentucky 40501, or call him toll free, 1-800-255-2400.

Several plans are available to supplement the K.H.S.A.A. catastrophe program. The K.H.S.A.A. Board of Control does not sponsor, recommend, or require any school system to purchase or make available any type of athletic insurance within their school district.

Sincerely yours,

J. B. MANSFIELD

Newly Elected Board Members

Denval Barriger

Gene Sell

Prin. Denval Barriger of Bowling Green High School and Prin. Gene Sell have been elected from Sections 2 and 5 respectively to the Board of Control for a four year period beginning July 1, 1975.

Denvil Barriger graduated from Scottsville High School and Lindsay-Wilson College and played on the basketball teams. He earned a B.S., M.A. and Rank I degrees from Western Kentucky University. In 1950 he started a thirteen year coaching career that took him to Hart Memorial, Bowling Green and Tell City.

Denval was principal at North Warren High School, Director of Pupil Personnel for Bowling Green City Schools prior to assuming the present position three years ago. He has been a member of the Lions Club for twelve years, a member of the Bowling Green Drug Abuse Program and the Model Citrus Board. He married Juanita Centers of Scottsville. Their son, Steve, is a graduate of Western and is assistant football and basketball coach at Anderson County High School. Daughter, Kathy, is a student at Western. There is one grandchild, Tamara Barriger. The Barrigers are members of the Glendale Baptist Church.

Gene Sell was born in Morgantown, West Virginia, on May 8, 1936. In 1954 he graduated from Fort Lauderdale High School in Florida. He served four years in the U. S. Air Force prior to enrolling at Cumberland College where he graduated in 1962. Gene earned his Master's Degree from Xavier University in 1965 and a Rank I there in 1970.

Gene was a teacher in the Silver Grove Schools for six years, at Princeton High School for three years and has been principal at Newport for six years. He is a part-time instructor at Northern Kentucky College, a past president of the Northern Kentucky Athletic Conference, past secretary-treasurer of the Northern Kentucky Association of Secondary School Principals, and is presently serving as chairman of the Ninth Region Policy Committee for officials assignments.

Gene is married to Gayle Ann Smith and they have two children, Kevin Gene, 10, and Jodi Lee, 6.

Minutes of Annual Meeting

The fifty-eighth annual meeting of the Kentucky High School Athletic Association Delegate Assembly was held at the Brown Education Building, Louisville, on Thursday afternoon, April 17, 1975.

President W. P. Wheeler called the meeting to order at 2:00 P.M. and asked Assistant Commissioner Tom Mills to call the roll. Sixty-one regular elected delegates or alternates answered the roll call.

Commissioner Mansfield then gave a report on the activities of the Association during the 1974-75 school year. Mr. Ernest Trosper moved, seconded by James A. Pursiful, that the Commissioners report be accepted. The motion carried. (The Commissioners report is printed elsewhere in this issue of the *ATHLETE*).

President Wheeler introduced to the Assembly Denvil Barriger, recently elected to membership on the Board of Control from Section 2 and Gene Sell who was elected to represent Section 5. Their terms are to begin on July 1, 1975.

President Wheeler stated that consideration of proposals was the next order of business. Denzil Halbert moved, seconded by Joe Ohr, that Proposal I, providing that Constitution Article IV, Section 2, Item a, be amended to read "They shall be a full-time certified employee of a Board of Education in the region they are to represent and must remain in a similar capacity in that region during their tenure of office," be adopted. The motion failed to receive the necessary two thirds vote for passage.

Denzil Ramsey moved the adoption of Proposal II. Richard Hughes seconded the motion. Proposal II states that "A student who has represented a member school as a first team player in football or basketball shall not compete in an all-star or post-season game. The penalty for violation shall be loss of eligibility in all sports for the remainder of the school year. (This would apply to students that have exhausted their eligibility in these sports.)

A student who has been a first team player in football or basketball and has eligibility remaining in these sports shall not take part in an all-star or post-season game at any time. The penalty is loss of eligibility for one year. The motion carried.

Jimmy Wiggins moved, seconded by Arnold Oaken, that Proposal III be adopted. Proposal III states that "the football season begins four weeks prior to the opening day of school and ends with the finals of the state playoffs. Practice, contests or clinics for football shall be held only between dates set for football and no other organized practice, contests or clinics shall be permitted."

Following a discussion of Proposal III, Arnold Oaken made a motion to amend so that the part of the proposal pertaining to clinics would not take effect until 1976. Thomas W. Johnson sec-

Attention, Officials!

The registration period for K.H.S.A.A. officials is and has been for several years the same as the Association fiscal year, namely July-June. Advance applications for registration in football and basketball are not now being accepted. Previously registered officials in these sports will receive their renewal application cards at some time during the summer months after the new National Federation publications have been received in the State Office. Previously registered officials should not send in their renewal fees until they receive these cards.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Thursday morning, April 17, 1975. The meeting was called to order by President W. P. Wheeler at 9:00 A.M., with Board members Louie Martin, Eldon Davidson, Jack Fultz, Arthur Hawkins, Cecil Reid, George Sauer, Frank Simpson and Ray Story; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Billy V. Wise and Louis Stout present. Mr. Conley Manning was present representing the State Department of Education. The invocation was given by Arthur Hawkins.

Frank Simpson moved, seconded by Arthur Hawkins, that the reading of the minutes of the previous meeting be waived since the members of the Board had received copies of these minutes in the mail. The motion carried unanimously.

Assistant Commissioner Tom Mills reported a decrease in attendance at the 1975 Boys' State Tournament. He reported the attendance at approximately 111,000 as compared to 124,000 for the 1974 tournament. The ticket sales for 1975 was approximately \$287,000.00. The total ticket sales for 1974 was \$286,142.00. The estimated tournament expense is approximately \$87,000.00.

Total paid attendance at the Girls' State

Tournament held on the campus of Eastern Kentucky University was 18,270 with gate receipts of \$44,384.00. The estimated expense is approximately \$22,000.00. A complete record of all receipts and disbursements for both the Boys and Girls Tournaments will appear in the annual audit. Louie Martin moved, seconded by Jack Fultz that the State Tournament report be accepted as presented. The vote carried unanimously.

Mr. Mansfield then reported to the Board that Maysville High School had been suspended in boys' basketball until January 1, 1976. He explained that the suspension was imposed following an incident which took place during and after the Fleming County High School and Maysville High School boys basketball game played on March 5, 1975. Letters were presented from District Tournament Manager, John H. Branson, Fleming County Principal Fairce O. Woods and Mr. Elza Whalen, Jr., Principal of Maysville High School, explaining their version of the incident.

Mr. Mansfield stated that Mr. Whalen was present and wished to appeal the suspension. President Wheeler welcomed Mr. Whalen, Superintendent Robert L. Biddle, Coach Lyle Dunbar, Assistant Coach Henry Boone and Glenn Roberson the Director of Pupil Personnel at Maysville High School. Each visitor was given the opportunity to express his views and answer questions from the Board members. Following their presentation Mr. Whalen requested that the Board rescind the decision of Commissioner Mansfield or, if they upheld the suspension, shorten the length of time to permit them to host the annual Christmas Tournament. Mr. Wheeler thanked the group for appearing before the Board and assured them consideration would be given their request and they would be informed of the final decision. The group thanked the Board for their time and departed.

Following considerable discussion, George Sauer moved, seconded by Arthur Hawkins, that the suspension of Maysville High School be upheld until January 1, 1976. All members present voted aye. The Commissioner asked if the Board would re-consider and permit Maysville to play in the Christmas Tournament. The request was denied.

Commissioner Mansfield reported that a disagreement over the distribution of tournament funds in District 52 was the next item for consideration. Mr. Dillard Prater, Principal of Cumberland High School, came before the Board representing Cumberland, Lynch and Cawood High School. He stated that these schools objected to the distribution of funds since it was not in keeping with the wishes of the majority of the schools in the 52nd District as voted upon in the District Tournament Meeting of February 15, 1975. He stated that decisions reached at an earlier meeting (held at Evarts High School on January 23, 1975, with two principals and three coaches present) should not be binding since a local agreement had been reached years earlier and reaffirmed in February, 1974, that the tournament site would be at Cawood High School until equal or better facilities were available in the district. Following his presentation and after answering several questions from members of the Board, Mr. Prater thanked the Board for their consideration and departed.

The Board then heard comments from Mr. E. R. Gray of Evarts High School. Mr. Gray stated that the decisions reached at the January 23rd

meeting should be binding since it was an officially called meeting and since all schools were represented by their principal or an appointed representative. He stated further that the vote was unanimous for the tournament site to be at Harlan High School, and Harlan was to receive 25% of gross receipts for hosting the tournament.

Mr. Tom Ward, Principal of Harlan High School and Manager of the 52nd District Tournament explained to the Board that Harlan High School had not requested the tournament but following the unanimous vote of the representatives at the January 23rd meeting he accepted the tournament and proceeded with making the proper arrangements. He stated that it was too late to make changes when the representatives took a new vote on February 15th to move the site to Cawood High School; therefore, he managed the tournament based on decisions reached at the January 23rd meeting.

Following the departure of Mr. Ward and a discussion of the facts as presented, Eldon Davidson moved, seconded by Jack Fultz, that since the coaches were official representative of the principals at the January 23rd meeting of the 52nd District officials, the decisions reached at this meeting shall be binding to all schools involved, and further, in the future, accurate written minutes be kept at all official meetings. All members voted aye.

At the request of Prin. Ray McCann a letter was presented asking the Board to restore the eligibility of James Harkins who had made himself ineligible for spring sports by participating as a substitute in a tournament run by the Federal Youth Center at Ashland after the season. The letter stated that James Harkins was unaware of any wrong doing and was not trying to defy the Association's regulation. Cecil Reid moved, seconded by Louie Martin, that James Harkins eligibility be restored by the Board by authority given it in the K.H.S.A.A. Constitution Article IV, Section 3, Item d-7. The motion carried unanimously.

Tom Mills presented the eligibility case of Ricky Spurlock, a student at Berea High School, who is ineligible under By-Law 6, Section 1, Transfer. Ray Story moved, seconded by Eldon Davidson, that the eligibility of this student be restored. All members voted aye.

W. P. Wheeler and Louie Martin were named delegate and alternate, respectively, to the forthcoming annual meeting of the National Federation.

The date for the next meeting of the Board of Control was scheduled for Friday, May 23, 1975, at 9:30 A.M., in Bowling Green.

Jack Fultz moved, seconded by George Sauer, that all bills of the Association beginning March 1, 1975, and ending March 31, 1975, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

Kentucky's Game Guy

Michael Geoghegan

The K.H.S.A.A. gave its highest award to Michael Geoghegan of the Nelson County High School. The Award was made at half-time of the Nelson County-Campbellsville game during the Fifth Regional Basketball Tournament.

The Award is given by the Association to the athlete that it feels best exemplifies the fighting spirit needed to overcome physical handicaps to take part in the athletic program. Michael has suffered from a lingering illness for some time.

Michael's coach, Tom Swartz, stated that "Never have I seen an individual fight so hard to overcome a serious illness. At first Mike thought his playing days were over so he undertook the job of manager. This did not satisfy his competitive spirit." He earned a starting position on the team before the end of the season.

COACHES CORNER

Coaches Corner becomes a regular feature of the Athlete with the August issue.

It is designed to provide a means of communication between members of the Kentucky High School Coaches Association and between schools. The Association wishes to express its appreciation to the Kentucky High School Athletic Association for providing space for this feature.

Contributions to Coaches Corner are welcome. News of interest, job opportunities, schedule openings, etc., will be the items carried in the column. Send notices to: Coaches Corner, c/o Kentucky High School Athletic Association, P. O. Box 7502, Lexington, Kentucky 40502.

The KHSCA Charity All-Star Games for boys will be held August 2, 1975, at the University of Kentucky's Commonwealth Stadium and Memorial Coliseum. This is the 24th renewal of the event which has seen the West footballers win 13 times with one tie and the East basketball team triumph on 13 occasions. The teams will report on Sunday, July 17, at 4:00 p.m. EDT and begin practice the following day.

A FREE clinic for football and basketball coaches will be held the morning of August 2 at Lexington's Campbell House Inn. At 9:00 a.m. EDT, Bob Barlow, coach at Lexington Bryan Station, will speak to basketball coaches, and Roy Walton of Lexington Tates Creek will address football coaches. After a short break, Joe B. Hall and Fran Curci, basketball and football coaches at the University of Kentucky will speak to the two groups. All meetings will be held in Colonial Hall of the Campbell House.

A buffet luncheon follows the clinic, beginning at 11:15 a.m. It will conclude in time for travel to Commonwealth Stadium and the East-West All-Star football game.

Tom Stapleton of Middlesboro High School will coach the East football team, assisted by Fred Mariani of Beechwood. Owensboro's Gerald Poynter will direct the West football team with John Hina of Murray as his assistant. The East basketball squad will be coached by Al Prewitt of Lexington Henry Clay and the West will be coached by Bob Hoggard of Christian County.

Stapleton was named Coach of the Year in football and Prewitt received the same honor in basketball during the Association's annual meeting in Louisville April 17.

The Association will have help this year on its promotional efforts for the All-Star games. The Lexington Jaycees are handling all promotion and advance ticket sales and sale of advertising in the Games Program. The group has outlined an ambitious program designed to create statewide interest in the Games and insure excellent fan support.

Tickets for each of the Games are \$2.00 for adults and \$1.00 for children under twelve.

REMEMBER! The clinic August 2 is FREE to members of the Association. Information on reservations will be sent to all members at a later date.

TED SANFORD AWARDS

Donna Murphy

The first Ted Sanford Award for girls was won by Donna Murphy, Newport High School. The annual award inaugurated by the Courier-Journal and Times is presented to the player in the K.H.S. State Basketball Tournament who excels in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship. The selection was made by a committee of school personnel from throughout the state.

Donna is a 5'10" junior who ranks third in the class academically. In addition to being a star basketball player she participates in volleyball, softball and track. In the latter sport she won the High Jump in the 1974 State Track Meet and holds the record in this event for the N.K.A.C. and regional.

Jerry Lee Britt

To foster the ideals exemplified by Ted Sanford, former commissioner of the Kentucky High School Athletic Association, the Courier-Journal and Times inaugurated the Ted Sanford Award to be given annually to a player in the Kentucky High School Boys' State Basketball Tournament who excels in four areas: basketball ability, academic accomplishments, sportsmanship and citizenship.

Commissioner J. B. Mansfield presented the third award to Jerry Lee Britt, a senior at Warren East High School. Jerry was selected by a committee composed of school personnel from throughout the state.

NATIONAL FEDERATION NOTEBOOK

The Athletic Budget in Perspective

HIGHER COSTS AND TIRED TAXPAYERS may mean trouble for interscholastic athletics in coming years. Inflation may require bond referenda with increasing frequency, and overburdened taxpayers may defeat them with increasing regularity.

PROOF OF THESE TRENDS is available coast to coast, in large cities and small. The board of education in San Francisco, California voted in February to halt athletic programs immediately in the city's public schools in order to save \$200,000 as part of a \$4,000,000 budget cut. Voters in Springfield, Illinois have defeated two referenda, causing the school superintendent there to recommend elimination of all extracurricular activities, including athletics, as a cost-saving measure.

THE TYPICAL ARGUMENT for elimination of interscholastic athletics is the great expense which benefits only some students in a program which is not essential to the educational process. The argument is based on three misconceptions.

FIRST, the interscholastic athletic program, when viewed with the proper perspective, is not expensive; it might even be considered a bargain. Only 69¢ of every \$100 budgeted for public education in Madison, Wisconsin, goes to interscholastic athletics—only .69 of 1 percent of the total school budget. Coaching salaries in all communities are a mere pittance for work the men and women do. The many formulae which operate to determine coaching stipends generally translate to only \$2 or \$3 an hour. Some people coach for less; and some coach without pay.

SECOND, the interscholastic athletic program long ago stopped being beneficial to only

few students. Schools, which typically offered two or three sports in the 1940's now sponsor nine or ten sports for boys and nearly as many for girls. At the same time, the depth of many sports programs has increased to include sophomore and junior varsity teams in addition to varsity squads. And those who would maintain athletics involves only the participants have not spent an evening recently at a high school basketball game or wrestling meet and watched hundreds of students and parents go nuts with excitement during a hotly contested event.

THIRD, the interscholastic program is as essential to the educational process of many young people as any other part of the curriculum. Some students can be reached best or perhaps only through mathematics, some through music, and some through football or gymnastics. Some students will mature and establish character during a disciplined study of biology, others through dedication to baseball or track. We have seen these things happen.

MOREOVER, the athletic program is a cohesive force in many communities. It stimulates interest in school activities by non-participating students and townspeople. An athletic event often provides the forum where the community becomes aware of other school activities and may be moved to support them. The people who support athletics tend to support the whole school program and are willing to pay for it. According to Gene Calhoun, President of the Madison, Wisconsin Board of Education, "If you lost athletics, you would lose one of the best supportive pillars. You would lose people who support the whole budget."

WE AGREE and we urge athletic administrators to present this perspective of the athletic program and the athletic budget.

1974-75 Annual Report

(Presented to Delegate Assembly)

Three hundred fifteen schools joined the Association for the 1974-75 school year. Twelve of these schools enroll girls only and seven have only boys. In 1973-74 there were 329 schools, in 1972-73 there were 334 and 344 in 1971-72.

There were 201 schools involved in football. The Classes A and AA championship games were played at Eastern Kentucky University with approximately 3,984 in attendance and gross receipts of \$9,429.00. The Class AAA final was played at the Kentucky Fair and Exposition Center with 4,200 in attendance for gross receipts of \$28,884.50. Interest and attendance at the regional and semi-final games continues to increase resulting in greater revenue for the schools involved. It is hoped there will be added interest this fall with classification changes and another class.

In Cross Country 146 teams entered the twenty regional meets. There were eight regions in Class A and AA, with four in Class AAA. The expenses incurred in sponsoring this sport were \$5,086.09. All state championship meets were held at Seneca Park in Louisville. The Board of Control proposes to sponsor Girls' Cross Country this fall.

The wrestling program is going forward at a rapid pace. There were 65 schools in the eight regions with the winner and runner-up in each weight class advancing to the finals. The championship tournament was held at Atherton High School.

In Classes AAA and AA Swimming, 45 girls' teams and 44 boys' teams competed for the championships. They were held at the Plantation Club in Louisville on February 21-22 and Eastern Kentucky University on April 4-5 respectively. Receipts from the two meets totaled \$1,400.00 with expenses of \$3,243.98.

There was 16 schools with boys' gymnastic teams and 29 with girls. One regional was held for the girls but there was not a sufficient number of boys' teams to justify a regional. The state meets were at Marion County High School on February 22. The receipts were \$452.70 and the expenses were \$2,434.33.

The gross receipts from the boys' and girls' district basketball tournaments were \$432,585.68 while the regional tournaments took in \$347,672.35 for a total of \$780,258.03. The approximate amount realized by host schools as profit from concessions amounted to \$94,000.00. Attendance at the Boys' State Tournament was approximately 111,000 as compared to 124,525 for last year. The gross receipts this year for the tournament was about \$295,000.00. A complete audit will appear in the August issue of the "Athlete."

Attendance at the Girls' State Basketball Tournament was 22,917. The gross receipts amounted to \$44,384.00 with expenditures of approximately \$22,000.00. The expense of the tournament was a minimum due to the cooperation of the people at Eastern Kentucky University in providing reasonable meals and lodging for the players and cheerleaders. A complete report will appear in the audit.

In the other sports that are to follow, 272 baseball teams will compete in 59 districts and

eight regions; 203 girls' track and 234 boys' teams will compete in twenty regions each; 93 girls' golf teams and 189 boys' teams will play in nineteen regions; 132 girls' tennis teams and 134 boys' teams will play in sixteen regions. State championship meets will be held in baseball at Morehead University; the Class AAA track in Louisville and the Class A and AA at Western; the girls' golf at Shelbyville; the boys' golf at Fort Knox; the tennis at the Tennis Center in Louisville.

Registering with the Officials' Division of the Association were 1,524 basketball officials, 736 football, 514 baseball at the present time and 58 wrestling. Assistant Commissioner Billy V. Wise conducted 16 clinics in basketball and 12 in football for officials and coaches. Assistant Commissioner Louis Stout conducted 11 clinics for baseball umpires and coaches. Two hundred one officials took the National Federation examination for the advanced ratings in football with 101 becoming "Approved" and 24 "Certified." In basketball 273 took the test and 150 became "Approved" and 70 "Certified." In 1974 eighty took the baseball test with 48 being "Approved" and 15 "Certified."

The Board of Control, the Assistant Commissioners and I are grateful for the cooperation the superintendents, principals, athletic directors and coaches have given us in running the program for the Association.

Minutes of Annual Meeting

(Continued from Page One)

ended the motion. The motion to amend Proposal III failed. The proposal then failed by a vote of 27 in favor and 29 opposed.

Roy Reasor moved that Proposal IV be tabled. Carl Deaton seconded the motion. Proposal IV states that "The basketball season for non-football schools (girls or boys) begins on October 1 and ends with the final game of the state tournaments."

The basketball season for football schools (girls and boys) begins on October 15 and ends with the final game of the state tournaments.

Practice, contests or clinics for basketball shall be held only between the dates set for basketball and no other organized practice, contests or clinics shall be permitted. The motion was defeated.

Charles Summers then moved that Proposal IV be adopted as stated. Thomas Johnson seconded the motion. The motion failed by a vote of 27 in favor and 31 opposed.

Jim Pursiful moved that Proposals V through VIII be tabled since they all pertain to changes in By-Law 27, Limitations of Seasons. Roy Reasor seconded the motion which passed by a vote of 46 in favor and 9 opposed.

Mr. Wheeler then stated that a vote on proposals IX and X would not be necessary since Proposals III through VIII were not passed, thereby making them void.

There being no further business, the meeting was adjourned by President Wheeler.

**DUDLEY****SOFTBALLS**

Pitchers, hitters, coaches and officials all agree - Dudley softballs are the best!

They're livelier, tougher, more durable and they save money. Pitchers like Dudley for uniform weight and seam stitching, hitters for great distance potential. And officials and everyone else like Dudley softballs because they're guaranteed for six games.

Dudley softballs are consistent. Game after game, ball after ball, the next Dudley softball is like the last, like the one before that and the one before that.

After they've taken tremendous punishment and the leagues are through with them, Dudley softballs can still be passed along for plenty of good playground use. That's how well they're made. Compare Dudley with any other name softballs and see for yourself. You'll learn you can depend on Dudley.
